The Ratcliffe Chautauqua which was given in Winton last week was well attended.

The interest in Chautauqua work is growing rapidly in our town and also throughout the County. The purpose of the Chautauqua this year was to entertain and educate and in this it was a great success.

We are sure that every one who attended the whole series of programmes was greatly benefitted by the classical entertainment and the educational instruction which the Chautauqua offered this year.

In honor of her eighteenth birthday, Miss Effie Grant most charmingly entertained, on Tuesday evening, her many friends at the home of Mr. and Mrs. R. E. Storey. Two very interesting contests were enjoyed in which Miss Helen Turner captured both prizes. Before departing the guests were invited in the dining room where they were served with a most delicious luncheon. Those present were: Misses Pearl Jenkins, Gladys Jenkins, Helen Turner, Bessie Lee, Anna Lee Carter, Olethia Nick, of Winton and Iola Gray of Roanoke Rapids; Messrs. ## LALLEY LIGHT and POWER

### You Actually Do Lose By Not Having Lalley

If you find that statement hard to believe, stop and think for a minute.

Remember that, after all, the biggest thing Lalley-Light does for the farmer is—save.

Remember that owners not merely say, but insist, that the Lalley pays for itself.

Remember that these owners—who know the Lalley—tell of its savings in time and labor and money.

Now you begin to realize that you actually do lose by not having Lalley Electric Light and Power.

You see, too, that every day you put off buying, means a greater loss at the end of the year.

The time to buy Lalley is right now.

We say, in all earnestness and truth, that you will save more by deciding at once to have us install a Lalley plant for you.

Once you have investigated and had the Lalley put in, you will realize how right we are.

In your own interest, do not delay longer.

Come to see the Lalley at our store, or telephone us to come to you.

Drop me a postal and get a Demonstration before you buy and SAVE MONEY
