ANNUAL RECEPTION TO THE NEW STUDENTS OF CHOWAN COLLEGE.

On Saturday evening, Sept. 4th, the porch and society halls of Chowan College were the scenes of much laughter and merry-making. It was then that the students and teachers of '19 entertained informally these of '20.

Promptly at eight-thirty the "College" in its entirety, all students and members of the faculty, assembled in the spacious and beautiful Altheian Hall, each new girl and teacher being escorted by a former one. Immediately there was in evidence a likeness of the "Old Mill Wheel" when two circles were formed, one composed of the new teachers and pupils and of the old teachers and pupils. With joined hands they scamper around and at close intervals, stopped with the bell-tap to gain a glance at a strange, neatly-pinned flame immediately in front of them and to chat for a moment with its owner. Next in order, they enjoyed "Ruth and Jacob", and old-fashioned game in which Mr. Cooper, the solitary gentleman of the party, in a most admirable and hilarious manner, played the part of Jacob.

Another tap of the bell summoned the merry-makers to the porch which was tastefully decorated with Japanese lanterns and potted plants. After being favored with a number of victrola selections and a well-rendered reading by Emma Riddick, each one, labeled "pear," "apple," "peach," or another fruit, fancied herself a member of the "fruit-basket" family. Soon after, each was served with the delicious ice-cream and wafers accompanied by dainty little handpainted leaflets as favors.

BLOOD IS FUEL TO THE BODY

Pumped Through the System by the Heart it Sustains the Muscles and Tissues

PEPTO-MANGAN HELPS BLOOD

Keep the Quality of Your Blood at its Best—it Means Vigorous Health and Ability to Accomplish

Blood acts like a fuel. Pumped through the body by the heart, it sustains the muscles and tissues. It renews them. It feeds the brain—the tissues of the eye and face. That is why people look so pale and lifeless when blood is impoverished. The body tissues are being supplied with weak fuel. The blood has not enough red corpuscles. You would not eat poor food with no nourishment in it; no more should you let the fuel that supplies sustenance to your entire body be inferior. Have good blood. Improve the quality and keep it at its best.

If you look pale and feel weak, if you have lost your enthusiasm and energy, if your blood is clogged with poisons your system is being fed with a poor grade of blood. That is no way to go around. If you are not at your best, get at the source of the trouble right away. Put an end to half-living.

Take that ideal tonic, Pepto-Mangan, to tone up your blood and purify it. Get the full enjoyment out of living. Breathe fresh air, take exercise. Be sure to ask for "Gude's" Pepto-Mangan." It comes in convenient tablet form and in liquid. One has the same medicinal value as the other. There is only one genuine Pepto-Mangan, and the name "Gude's" is on the package. Advertisement.

Dogs of War.
On July 23, 1838, General Zachary Taylor, afterward president of the United States, requested the government to furnish him with bloodhounds to be used in hunting the Seminole Indians of Florida. He was furnished with the dogs.

THE AMERICAN RED CROSS IN PEACE TIME Eastern Europe

Americans who contribute to the Red Cross would feel amply repaid for their generosity if they could see what it means to hundreds of thousands of weary sufferers in the Balkans. Here is a widowed Roumanian mother with her five children just after a visit to a Red Cross relief station. All are barefoot and the boy at the left is wearing clothes made of scraps from the battlefields. They have just received winter clothing, food and condensed milk for the baby. Similar work is being done for Russian refugees driven from home.

A. W. SWAIN TO ADDRESS COTTON GROWERS.

SHE ONLY WEIGHED NINETY POUNDS

TAKES TANLAC AND NOW WEIGHS EXACTLY ONE HUNDRED—AND FIFTEEN POUNDS.

"When I first began taking Tanlac I only weighed ninety pounds, but I now weigh one hundred and fifteen," said Mrs. E. J. Straw, of 710 Crocker street, Des Moines, Iowa.

"I really thought I was not going to ever get well," she continued, "so my wonderful recovery has made me one of the happiest women in Iowa and I believe Tanlac saved my life."

"A year ago I had influenza which left my kidneys all out of order and my stomach in such bad condition I could not eat without suffering terribly afterwards. I also had neuritis so bad in my right shoulder that I had not been able to comb my hair for six months. I tried everything to get built up again but got worse all the time and to add to my troubles my nerve gave way; I could not do any of my housework and had to spend most of the time in bed."

"When I began taking Tanlac I had been in bed three weeks, but before I finished the first bottle I was up and about. Now I have taken seven bottles and every one has been worth its weight in gold to me. The stomach trouble, neuritis and nervousness are entirely gone and I am so strong I do all the housework without the least trouble. In fact, I am enjoying the best of health and I can't praise Tanlac enough."

Tanlac is sold in Ahoskie by Z. V. Bellamy and Copeland Drug Co., in Harrellsville by Williams and Taylor.

CARUSO WILL SING IN NOROLK, OCTOBER, 28 1920.

Greatest of All Voices Will be Heard in Tabernacle Made Famous by Billy Sunday.

Enrico Caruso, regarded by all authorities as the greatest singer in the world, if not the greatest ever known, will be heard in the Norfolk Tabernacle, Thursday, October 28.

This is the place made famous by Billy Sunday. It is a huge structure, capable of seating 9,000 but so beautifully arranged from the acoustic point of view that even the faint note of violin can be heard in the farthest corners. Of course Caruso the trumpet-toned, will find it less difficult to fill the tabernacle with his golden voice than he does when he appears in the great Metropolitan opera-house.

However, Caruso will make his first appearance in Norfolk, and Virginia for that matter, on Thursday, Oct. 28, and those who have not sent in their applications for tickets will do well to do so at once.

Of course, there will be assisting artists to give the great artist an occasional rest but Caruso will contribute sixty-per cent of program. He will sing an aria from "Boheme," a group of Italian songs and his famous crying song known on the machine records as "Vesti la Giuba" and to the critics as "Ridi Pagliacci". There will be others and Caruso is generous in generous in the matter of encores. It is sure worth the trip.

MURFREESBORO NEWS.

Mrs. Cecil Forehand was hostess, on last Saturday afternoon at 4 o'clock, to a delightful party given to her little son John Martin Forehand, in celebration of his second anniversary. The living room was neatly decorated with flowers and plants, and a medley of playthings was on hand for the pleasure of all. The table was attractively decorated with flowers of many bright colors and in the center with an artistic setting of green foliage was a pretty cake with two candles.

As the day was chilly, the little youngsters sat down snugly in a circle around the open fire. And Mrs. Forehand served ice-cream, cake, candy and fruit to each who in their joyous manner and response, reflected the sunshine of the occasion. Music was furnished the little chaps and they spent a delightful hour playing many amusing and interesting games. Each helping to furnish amusement in their original manner and conversation.

Those invited included Ealine Chamberline, C. H. Chamberline Jr., Edward Byrd, Cornelius Hill, Sadie Elizabeth Evans, Shirley Liverman, Fenton Ferguson, Vaughan and Gertrude Wiggins, and Vaughan and Melie Winborne.

A party from Shawboro, N. C. motored to Murfreesboro Sunday morning. They attended service at the Baptist Church, dined at the Sewell hotel and visited Chowan College in the afternoon. Some of the older citizens of town experienced a pleasant surprise when they found among this party were Mrs. Tilley and Mrs. Applewhite, who were formerly Messes Ferebee and who graduated from Chowan College in 1888. This was their first visit to Murfreesboro in 40 years having visited here last in 1880. They seemed greatly pleased with the College.

Mr. and Mrs. John Mitchell, of Winton, and Mrs. Justice, of Charlotte, N. C., Mr and Mrs. Cling Mitchell, Jr., and Mr. Mitchell's mother of Colerain, motored over Sunday—made a short call on Miss Maude Vinson and made a special visit to Chowan College. Mrs. Justice, the well known Miss Lucie Mitchell graduated at Chowan in 1895. Mrs. Cling Mitchell was formerly Miss Elliot and was a member of Chowan faculty five years ago. These visitors seemed truly delighted at the improvements and refreshing appearance at the old College.

Miss Ealine Revel Huges, of Los Angeles, Cal., who has been touring the East passed thru Murfreesboro by automobile from her return trip to Washington, D. C., where she visited her uncle, Charlie Yates formerly of this town. Miss Huges stopped to view Murfreesboro and the Stanley home once owned by her grand-father, Jessa Revel, now owned by U. Vaughan. It may be interesting to a few to know that Miss Huges will be married immediately after her return to Los Angeles.

Mr. and Mrs. Deanes, Mrs. Lucie Evans, Miss Montague and Miss Leary of Colerain were the guest last week of Mrs. C. E. Boyette and Mrs. Geo. Underwood.

Miss Meryle Britton returned home Saturday from Durham, N. C., where she spent a week with her friends Misses Carrie West and Sallie Margaret.

Mrs. Elle Smgner returned home Saturday from Garysburg where she spent six weeks visiting relatives. She was accompanied home by her sister, Miss Nannie Griffin and Mr. and Mrs. W. E. Patz, who were guest Sunday of Mrs. Nettie Britton.

Mr. and Mrs. Spencer Carr, of Portsmouth, Va., who have been spending sometime in this county is now visiting Mr. and Mrs. Napoleon Brett near here.

The Community Fair which was held here on Friday the 24th was quite a success. There were good many exhibits considering the short notice. Some beautiful, some interesting and some good to look at. The Betterment League recently organized was active on that day and by serving refreshments cleared \$31.00.

Miss N. T. Wiggins has just returned from Richmond where she spent several days on business.

Delicat: Anemone.
Anemone means "windflower," and is so called because it is so delicately poised that it sways with the lightest motion of the atmosphere.
