to the greatest thing in life-Life Insurance.

People tell us every week that they wished someone had forced them to take more Life Insurance when they were young.

You will never be as young as you are today. Life Insurance will always be here-but you will not neither will opportunities to participate in it.

Life Insurance companies are distributing more than two million dollars a day to beneficiaries and to policyholders. Two million dollars a day in cold cash! Think of it. There isn't another business in the world that is doing anything like paying out two million dollars a day in spot cash to its patrons. Why not come in on it and get your share of this business.

Don't lose your opportunity to take as much Life Insurance as you can get and carry. Consult us by putting the coupon below in the mail.
