

# ... it all started back in 1917

42 years ago the folks in the Roanoke-Chowan area started shopping in our store . . . Over the years we have gotten to know each other well. There have been many changes in our town and our county . . . There have been many changes in our store. As the area has grown so have we . . . Our facilities have been expanded and improved to keep pace with the growing Roanoke-Chowan . . . We have constantly maintained a large stock of quality merchandise to offer our neighbors a wide selection at a reasonable price. We join our fellow citizens in celebrating the 200th Anniversary of Hertford County and the 70th Anniversary of Ahoskie.
