Gov. elect Scales will resign his seat in Congress about Xmas,

Governor elect Scales has appointed C. H. Armfield, Esq., of Statesville his private Secretary.

The prophets who predicted in advance Scales' nomination and majority and Cleveland's nomination and election are still entitled to the floor .-Wise fellers!

The Electoral College system of electing a President and Vice President should be abolished. It is wrong and dangerous. It is surprising that it has never been changed.

The legislator who can devise a hetter plan for keeping up our Public Roads has a future. The question of working our Public Roads is one that is growing into importance and must sooner or later command the attention of our Legislators. We must have better roads.

The Electoral College of this State met at Raleigh, Wednesday of last week. Col. John N. Staples of Greensboro was made President and Messrs. Rowland and Gilliam secretaries .-The electoral votes of this State were cast for CLEVELAND and HENDRICKS. B. H. Bunn was elected messenger to B B Beasley, Steward, (4 orders) convey the result to Washington. A telegram of congratulation signed by President Staples was sent to Presi dent elect Cleveland and Vice President-elect Hendricks.

The new Board of Commissioners took the oath of office before Clerk Bradshaw last week and organized by re electing Dr. Bulla chairman. The county officers filed their Annual Reports and renewed their bonds. The Constables elect also filed their bonds. Sheriff Moffitt made his settlement for the State Taxes for the year '84 un. der schedule B and C.
