

# Isn't it Worth 25c. To Be Cured of Constipation

People who suffer from habitual constipation with all its attendant ills, clogged stomach and bowels, sluggish liver, heartburn, indigestion, and thin and impure blood, are too apt to believe that the only remedy is violent purgatives. The contrary is the case. Such cathartics, even if they do move the bowels, are irritating and griping, leave the stomach inflamed and enfeebled and the constipated condition recurs with greater difficulty of cure and the sufferer constantly growing weaker. There is a laxative that moves the bowels without pain or griping, cleanses the stomach, sharpens the appetite, stimulates the liver, strengthens the nerves, and purifies the blood, while its marvellous tonic properties tone up the entire system and keep it healthy.

## Laxakola Does It

Its remarkable tonic properties reach every organ—the liver, kidneys and stomach, nerve, heart and brain—and removes the cause of your debilitated condition. This is the only way to secure an absolute and permanent cure.

Laxakola is the only medicine for babies, is purely vegetable and its action is gentle, speedy and effective. For coated tongues, simple fevers, colic, chills and languid feeling it is the ideal medicine.

To make a good "Children like it and ask for it."

Laxakola, the great tonic laxative, is not only the most efficient of family remedies, but the most economical, because it continues to work, via. Laxative and tonic, and at one price. LAXAKOLA CO., 122 Nassau Street, N. Y., or 215 Westmore Street, Chicago.

Bill Arp on Roosevelt's Remarks About Davis.

**BILL SAYS THEY WERE WRONG.**

That Roosevelt should hasten to make ample amends for the mistake he has made.

Once more unto the breach, good friends—once more. I would like to know about what time President Roosevelt is going to retract what he wrote about President Davis. It has now been proven by the official records at Jackson, Miss., that Mr. Davis never was governor, nor was he ever a member of the legislature of that State, and in a public address made after the act of retraction, he declared he was opposed to it and the best ought to be done, and that he would retract what he wrote about President Davis. ### THE SURGEON'S KNIFE

Mrs. Eckis Stevenson of Salt Lake City Tells How Operations For Ovarian Troubles May Be Avoided.

"DEAR MRS. PINKHAM:—I suffered with inflammation of the ovaries and womb for over six years, enduring aches and pains which none can dream of but those who have had the same experience. Hundreds of dollars went to the doctor and the druggist. I was simply a walking medicine chest and a physical wreck. My sister residing in Ohio wrote me that she had been cured of womb trouble by using Lydia E. Pinkham's Vegetable Compound, and advised me to try it. I then discontinued all other medicines and gave your Vegetable Compound a thorough trial. Within four weeks nearly all pain had left me; I rarely had headache, and my nerves were in a much better condition, and I was cured in three months, and this I owe to the surgical operation performed by Mrs. Eckis Stevenson, 250 No. State St., Salt Lake City, Utah.—\$1000 forfeit if above testimonial is not genuine.

Remember every woman is cordially invited to write to Mrs. Pinkham if there is anything about her symptoms she does not understand. Mrs. Pinkham's address is Lynn, Mass.

### KINDLY NOT APPRECIATED.

Courtesy shown a poor blind colored man in a street car.

People are so busy nowadays they have often not time to be polite, and a considerate act at once attracts attention. There was such an occurrence a few days ago in 4th avenue car.

Among the passengers was a blind negro. His clothes were the veriest rags and were held to his emaciated frame with pieces of wire and bits of string. A broom handle served as a cane. One shoulder was aching and he was unable to get up and put his feet on the floor. As his face was wreathed in smiles—not a grim-ace eyes were turned in his direction. The passengers looked at him respectfully when the car reached Stanton street and he arose and made his way toward the door.

The hour was a busy one on the Bowers. People wondered whether the old man would reach the sidewalk in time to get out of the car before the platform door would close. However, for he alighted and guided the negro safely to the sidewalk. He then as rapidly as possible ran after the car, which was disappearing down the street.

Several of the passengers who had noticed the incident called on the conductor to stop the car, but as he did not do so one of them rang the bell loudly, and the car man reversed the engine and brought the car to a sudden stop.

As the young man climbed on the platform, says the New York Times, many smiles of approbation were cast in his direction. But he seemed to be almost ashamed of what he had done, and he pulled his hat down over his eyes and continued his ride in silence.

"So you are just married," said the chief of the railroad information bureau, who wanted a clerk. "Does your wife know you are married?"

"She does," replied the applicant for the place; "but what has that to do with my securing employment in your office?"

"Oh, some," said the chief. "We are supposed to answer inquiries politely, and I'm not taking chances on the temper of a man with indigestion."—Baltimore News.

Kate—I fear you will find me full of faults.

Dick—Darling, it shall be the dearest office of my life to correct them.

Kate—Indeed, you shan't!—Stray Stories.

### HEADACHE, BACKACHE, DIZZINESS

(PE-RU-NA CURES PELVIC CATARRH.)

"I am perfectly well," says Mrs. Martin, of Brooklyn. "Pe-ru-na cured me."

Mrs. Anna Martin, 4 Hoyt street, Brooklyn, N. Y., writes:

"Peruna did so much for me that I feel it my duty to recommend it to others who may be suffering a similar ailment. About a year ago my health was completely broken down, and I had acute dizziness and irregularities, and life seemed dark indeed. We had used Peruna in our home as a tonic and for colds and catarrhs and I decided to try it for my trouble. In less than three months I became regular, my pains had entirely disappeared, and I am now perfectly well."—Mrs. Anna M. Martin.

Mrs. Marie Johnson, 11 Columbia, East Detroit, Mich., writes:

"I suffered from pelvic catarrh for many years, and as many other women have done, found in Peruna a specific for a severe case of female weakness. She writes:

"I want to do what I can to let the world know what a grand medicine Peruna is. For eleven years I suffered with female troubles and complications arising therefrom. Doctors failed to cure me, and I despaired of being helped. Peruna cured me in three short months. I can hardly believe it myself, but it is a blessed fact. I am perfectly well now, and have not had an ache or pain for months. I want my suffering sisters to know what Peruna has done for me."—Miss Marie Johnson.

Miss Ruth Emerson, 72 Spearman st., Buffalo, N. Y., writes:

"I suffered for two years with irregular and painful menstruation, and Peruna cured me within six weeks. I cannot tell you how grateful I feel. Any agency which brings health and strength to the afflicted is always a welcome friend, and today the market is so full of such agencies that it is well to be sure of the best."—Miss Ruth Emerson.
