

Our Raleigh Letter.

Special Cor. The Courier. Raleigh, N. C., February 16.—The question of child labor legislation is practically settled and the "compromise bill" will probably become a law this week.

Mrs. Fred Unrath. President Country Club, Kenan Harbor, Mich.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."
