The receivership was by consent discontinued on hast Thursday and Finch, the petitioner, was taxed with the note. But before this, as was published in the last issue, warrants were exament by Attorney General Gilmer for Finch and MeBee charging that with consuracy to injure the State Princh being out of the State. At the hearing out the bench unmant before diatice Walter Clark in an elearly shown that there was dear and dangerous conspiracy of grate and graft to take the road at all the market. Attorneys were employed before Finch actually awned a follar of stock in the road and the jestilou asking for receivership was made out mit the mumber of shares limit. After the petition was drawn in the art whom three times their market values are contracted for by the Bok Blake, of the Pokin see language of the Pokin see language of the Pokin see language and the petition was drawn from the retimes their market values are contracted for by the Bok Blake, of the Pokin see language values see contracted for by an of the Pokin see language values see contracted for by an of the Pokin see language values are contracted for by an of the Pokin see language values are contracted for by an of the Pokin see language values are contracted for by an of the Pokin see language values are contracted for by an of the Pokin see language values see contracted for by an of the Pokin see language values see contracted for by the Pokin see language values are contracted for by the Pokin see language values are contracted for by the Pokin see language values are contracted for by the Pokin see language values are contracted for by the Pokin see language values are languaged values see contracted for by the Pokin see language values are contracted for by the Pokin see language values see contracted for by the Pokin see language values are contracted for by the Pokin see language values are contracted for by the Pokin see language values are contracted for by the Pokin see language nd North Carolina Railroad is now part of ancient history.
