GUILFORD COUNTY NEWS.
A special from Washington to the Charlotte Observer of the 16th said: "Mr. M. L. Mott has at last landed. The Secretary of the Interior preceded from his position, under pressure from the White House, and has approved the action of the chief of the Creek Indians in appointing him to the position of attorney. Mr. Mott will draw a salary of \$5,000, and his good fortune is directly attributable to the kindly intervention of the President."

GUILFORD COUNTY NEWS.
A gentleman writing from Stokesdale under date of the 10th says: "Mr. John H. Southern, one of the oldest citizens and Democrats of Rockingham county, was knocked from the track and killed by a train between Stokesdale and Madison on the 16th inst. He was walking along the track looking for fire when the train, running at a high rate of speed, came up behind him, and although there was a clear view for nearly two hundred yards the engineer failed to blow any alarm, and only blew for brakes about the moment he was struck. It was a shocking accident and could have been avoided had the engineer done his duty. The community is indignant at such negligence."

GUILFORD COUNTY NEWS.
Wanted Blackburn as a Delegate.
At the Guilford county Republican convention last week to select delegates to the State and Congressional conventions a prominent Republican in open convention suggested that E. Spencer Blackburn, the Republican nominee for Congress in the eighth district, be selected as a delegate from the Proximity Mills precinct to the State convention. It was stated that his residence was in that locality and that he was about the only dyed-in-the-wool Republican there. When the names of the delegates were read out Mr. Blackburn's name did not appear, but prominent on the list was that of W. N. Mebane, who is indicted in the Federal court and is out on a \$2,500 bond charged with false returns as a rectifying government gauger in connection with the Milton and Beidsville liquor cases.
