oner of Labor and Printing H B VARNER Corporation Commission 8 L ROGERS missioner of Agriculture: S L PATTERSON.

The Troy Examiner unites with the Rockingham Anglo-Saxon and advocates the appointment of Capt. C. F. Siler as state librarian.

Mr. Maxwell Gorman, a veteran Raleigh Evening Times. Mr. Max- actional committee. well has for several years been the Raleigh correspondent of Titt to cu-

himself a better democrat than many

of them did in 1800. The Chicago Chronicle pusing as a democratic paper boiled democrater and THE WOMAN WHO PROMISES a democratic paper boiled democratic and tree pusing the control of the con

and because beyon and has gone over tay and inggate by the to the republicans.

GREENSRORO VOTES DEV.

Tuesday of this work was a men boro. The immense throng purposes ly, but with a determinate hibition from early in the marries until night. The election process off quietly, but throughout the tire day upon the faces of John advocates supported by the prayers the churches and the appeals of the the most eight of the people is what the children. While the opposing faction worked hard the result was 315 years.

TALK FRANCE OF

Red Buck describes Senator Dan-

The striking aristocratic face of Senator Daniel caunot pess from the memory of any who saw it when he spoke. His strong, deep solve lingers with those who heard it. He gers with those who heard it its argued like a man drives piles and his sentences, strong and be surfully constructed, were sent home. The delegates heard every word he said. The following opinion of ex-sens-

tor David B. Hill by the same con respondent is interesting.

respondent is interesting.

If one may judge by the St Lonis convention the South is coming to her own. We are going back to the days before the war. Our mon most be recognized. David B. Hill cannot cope with Williams, Daniel, and Tillman. He is cunning, but wook. The Parker telegram would not have been necessary if Hill had made the fight that he should have made before the committee on resolutions, and if necessary before the convenience. His courage is not of the right too. His courage is not of the right His courage is not of the right

hours before the final close that strong men jost their nerve and slopt standing or reclining is about standing or reclining in chairs. The cruwd last its courgy before adjourc-ment at one thirty Sunday morning. It is only once in a life time that such opportunities come to a man.

has been appointed by Governor Aycoch as a member of the State Board of charities to succeed Dr. Chas Duffy, of New Bern, resigned.

The address of Mr. F. H. Bush ofore the Alabemia has association last week was on, "The Southern Lawyer and the negro,"

In the mans of his mixtons, the law, and there is appealed to the lawest of Almana "To score and cultivate a paties acultivate that would seeme to the members of the

would seeme to the members of the colored race the presentian in person and liberty, which the constitution solemnly guarantees to every person within her borders."

In cooperat words he pictured the unspeakable horrors of molevishmer, is indefensible cracity and injus-tice. He appealed for an enlightee-ed and around public sentiment which would combet made riolence until it had become only an empleas-ant memory.

Dr.J. W. Long, of Greenshore ha Pr 3 W Long, of Greensbore has been appround as the North Carolina member of the Presidential notification committee of the Presidential notification committee of the Presidential notificate in the party. Arrangements have been a give 10 Slins U Swallow, the official ficting in Tomilioson Hail, an anapolis, find, Friday afternose, July G2, at 2 ordicek. Dr. Long sees actified of his appointment to Oliver W Stewart, of Chicago and the Chicago of the Chi Mr. Maxwell dorman, a construction of the construction of the second ment by Oliver W. Stewart, of Chithe Mr Comer as city selling of the construction of the Probibition
