

## CALL FOR COURIER CLUB RAISERS.

Enter Your Name On Our List at Once and Win One of the Premiums Offered. Hundreds of Dollars will be Distributed in Presents During the Next Few Weeks.

In arranging this contest we have endeavored to offer a reward to workers sufficient to make them enthusiastic and at the same time make the work of securing subscribers easy, so they could not fail to win prizes. Every one who pays one dollar IN ADVANCE will get free with THE COURIER one of these prizes: a year of the Woman's Magazine, The Metropolitan and Rural Home, The Southern Agriculturist, or the Farm and Fireside for one year. This contest begins NOW and will close July 1, 1906. The person who sends us the largest number of subscriptions during that time will receive as a prize a handsome National Sewing Machine, which sells for \$65.00.

To the person who sends in the second largest list of subscribers we will give a Champion New Home Sewing Machine, price \$65.00. To the person who obtains for us the third largest list of subscribers we will give one Carolina Cook Stove with "B" list with pipe, including full and complete cooking outfit which sells everywhere for \$18.00. This stove is on exhibition at the Lewis & Winslow Hardware Company.

To the person sending us the fourth largest list we will give a genuine American movement ladies' watch made by the New York Standard Watch Company, fitted in a gold filled hunting case, warranted for 20 years. It is a stem-winder and stem-setter, and in every way a reliable time keeper. Each case is handsomely engraved.

To the worker who sends us the fifth largest list we will give a watch with movement like the foregoing description except a ten year guarantee case.

To the person sending us the sixth largest list we will give a pair of Queen Quality Shoes worth \$3.50. These shoes are on exhibition at Messrs Wood & Morning's Store.

The person sending us the seventh largest list will receive a pair of the celebrated White House Patent Leather Blucher Ladies' Shoes worth \$3.50. These shoes can be seen at anytime at the Morris-Scarboro-Moffitt Co's Store.

The person sending us the eighth largest list will receive a pair of the popular Woman's College Walking Shoes, worth \$3.50. It can be seen at Mr. W. J. Miller's store.

The worker sending us the ninth largest subscription list we will give free a beautiful 32-piece porcelain breakfast set.

To the person sending us the tenth largest subscriptions we will give a handsome water set worth \$6.50.

The person sending us the eleventh largest list of subscribers will receive a 14-piece combination American Beauty Rose silver set, consisting of 1 dozen Tea Spoons, Sugar Shell and Butter Knife to match, pure coin silver plated over nickel plate on hard metal base, packed in fancy box.

Every dollar sent we count one subscription. It will take two fifty

cent subscribers to count one subscription in the contest.

Now here are the "sure things" prizes—those you KNOW you can get whether you win one of the other prizes or not.

To every person sending us twelve subscribers at one time with twelve dollars, we will give a handsome water set the best made, or, if you prefer, a set of genuine Rodgers knives and forks, either of these sell anywhere for \$5.00 to \$6.00. Or to any person, who will send us 18 subscriptions with \$18.00, we will send both these premiums.

But that is not all, we make another offer that every body can get and that is that every worker, who will send us six subscriptions at one time accompanied by \$6.00, we will give a fine porcelain, 30 piece breakfast set or for five subscriptions we will give a handsome stereoscope and 48 colored scenes from all parts of the world. This breakfast set never sold for less than \$4.00 and it is worth \$6.00 anywhere and the stereoscope and views are worth fully as much as the breakfast set, or if any worker will send us 10 subscriptions accompanied by \$10, we will send both these handsome premiums.

We know you will wonder how we can make such a remarkable offer. To be frank with you we couldn't if we did not know from experience that three-fourths of the new subscribers obtained in this way will be turned into regular subscribers at the end of the year.

We are paying you handsomely simply to get them started for us. The merit of the paper itself will do the rest and in the long run we will make a profit and you will be doing your community a good turn by inducing the people to read a paper which teaches them how to make more money from their farms and in various occupations.

To everyone who sends us as much as \$100.00 for subscriptions and job work together we will give a Champion New Home Sewing Machine.

Any young man who wants a pair of "Keiths Konqueror" shoes, or a pair of celebrated King Bee shoe, or a pair of Crockett's best shoes, each and every pair sells for \$5.00 the world over, or if you want free the best railroad watch ever made you can learn how to get them free by getting subscriptions or job work for THE COURIER.

Now the facts are all before you and the contest is on. DON'T WAIT UNTIL TO-MORROW TO BEGIN WORK. Start now and keep it up, if you want one of the big prizes. We will send you sample copies, if you ask for them, but we do not furnish receipts and subscription blanks except direct to the subscribers upon receipt of the list and amount enclosed. An ordinary piece of paper will do. Don't send stamps. Put the silver dimes in an envelope and fold it up and put in another envelope which bears the stamp and address and they will not be lost. Address all letters to THE COURIER, Asheboro, N. C.

## SORE LEG CURED OF TWENTY YEARS STANDING—WHAT IS IT THAT MRS. JOE PERSON'S REMEDY CANNOT DO?

Twenty-two years ago I had typhoid fever, which settled in my left leg and caused an ulcer, not an eating sore, but an ulcerated sore leg, from below the knee to the bottom of my foot. I suffered a great deal with it, and part of the time had to go on crutches. I had doctors' treatment year after year, and used every medicine I could see any hope in. I saw Mrs. Joe Person, and she said she believed she could cure me. Several of my friends had advised me to use it, but I knew I would have to use it so long I was disheartened. I was tired of suffering, and like many others, wanted to be cured in a day, I decided, however, to use Mrs. Joe Person's Remedy, and bought a dozen bottles. I took nearly all of it, before I could see any improvement. I then bought another dozen, which made a perfect cure. I am. Very truly, N. HAMMOND. Laurinburg, N. C., May 8, 1903.

### To Advertisers.

THE COURIER has spent large sums of money in working up its circulation and to-day it thoroughly covers Randolph and adjoining counties besides having a large list throughout this and other states. But we are working to build up Randolph county and the Piedmont section of North Carolina.

To this end we have built our circulation, that our advertisers and the community might secure the greater publicity. We have improved our plant and enlarged our paper—all of which necessarily increases expenses.

Hence this article notifying our advertisers that after March 1st, 1906, the advertising rate is as follows:

Per inch one time ..... 25c  
" " " month ..... per issue 20c  
" " " two months ..... " 17c  
" " " six " and over " 15c  
Reading notices will be charged at the rate of one cent per word. No reader accepted for less than 25c.  
All bills payable monthly.

Our circulation is not made up of dead heads and exchanges, but paying subscribers, who send us the cash for their subscription. Few are more than six months in arrears and many are paid in advance. This shows that we circulate among a prosperous people—the class that advertisers desire to reach.

THE COURIER appreciates the patronage accorded it in the past and pledges every effort to give value received for future business placed with it.

### Obituary.

Last night as the darkness of mid-night was upon us, at the hour when he so often makes his visit, death laid his icy fingers upon the brow of Mamie Helen Harrell. And to-day where sunshine and gladness so lately reigned, dwelt shadows and sorrow, and those eyes so tender in their glance are dimmed and closed forever. Say, not forever, for Jehovah was her God, and those eyes now closed in that last sleep will near God's throne reflect the sunshine of her Savior's love.

Helen was a good girl, a Christian, of this we can all bear witness. Being only nineteen years old it seems doubly sad that her life should thus be cut off, but God, in his own good time, will let us understand why these things be.

Not now, but in the coming years, it may be in the better land. We'll read the meaning of our tears, And there, up there, we'll understand.

Funeral services will be held this P. M. at 3:30 o'clock from Union Church, and then she will rest beside that sister who a few years ago fell asleep.

The most rational remedy for Coughs and Colds is Kennedy's Laxative Honey and Tar. It acts on the bowels as a mild cathartic—expels all cold from the system. Cuts all phlegm out of the throat, relieves coughs, colds, croup, whooping cough, etc. An ideal remedy for children—equally good for adults. Sold by Standard Drug Co and Asheboro Drug Co.

If our church members transacted their business in as half hearted a manner as they serve God, millionaire church members would be devilish scarce.

Don't tie a cough or a cold up in your system by taking a remedy that binds the bowels. Take Kennedy's Laxative Honey and Tar. It is different from all other cough syrups. It is better. It opens the bowels—expels all cold from the system, relieves coughs, colds, croup, whooping cough, etc. An ideal remedy for young and old. Children like it. Sold by Standard Drug Co. and Asheboro Drug Co.

### Fashions for Men.

The tendency among men this spring and summer will be to wear the quietest clothes possible. Some wonderful creations in the way of waistcoats have been introduced to go with the dinner coat, but the plain black remains the only correct form. It is cut U shaped, and has three buttons. There will be no loud-patterned shirts or brilliant ties so much in favor some time ago, and the variety of green greens introduced last season will be used only in mixtures. Gray remains a favorite because there is so much motoring and driving, and there is no better color for the road. The colors so far imported by fashionable tailors are all of the most fashionable description. There is a general tendency to be informal and to discard afternoon dress. In America top hats are rarely seen after May. In fact, at two fashionable country weddings last spring, the bridegroom and ushers wore business suits and straw and felt hats. There has been much speculation regarding the modish collar for spring and summer. The flaps of the winged collar are pointed, as they are found at the best haberdashers on Fifth Avenue and Broadway. The collar for ordinary wear with colored shirts will be the turnover or Eton, not too high, with rounded ends. The Panama hat has come to stay. The real article was too expensive to be cast aside in a single season. Comfort above all things is to be desired in the spring and summer, and this cannot be found in a stiff hat. A straw hat that can be made into any shape will come with the blossoms of May and remain the entire summer.—From The Delineator for May.

## Thousands Have Kidney Trouble and Never Suspect It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and swelling pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When you mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

### A DASHING AUTOMOBILE STORY.

## A Motor-Car Divorce

By LOUISE CLOSSER HALE

A BREEZY and deliciously humorous motor-car romance—the fact that the hero and heroine are man and wife makes it no less a romance.

Mrs. Ward, a believer in the theory of the ten-year marriage contracts advanced by George Meredith, goes with her indulgent husband on an automobile tour through France and Italy for the purpose of securing a divorce on the grounds of "incompatibility of temper," which, in reality, do not exist. It takes another woman, several accidents and the automobile to bring Mrs. Ward to her proper senses.

### FEDERAL OFFICE ABUSES.

Senator Overman Sees Behind the Cloak and Rights a Wrong.

Not long ago Senator Overman in a committee meeting put some pertinent questions to the assistant secretary of war regarding the payment by the government of the traveling expenses of army officers when engaged on private affairs and in particular in reference to defraying the expenses of General Wood on a trip around the world when in quest of specialists to practice on his health. The war department officials admitted that General Wood's expenses were paid from the Philippines to the United States via the Pacific and back to his station by way of Europe, the bill amounting to about six thousand dollars. It was contended by the war department in defense of this action that an army officer in search of health was as much acting in the

service of the government as when traveling on special duty.

Secretary Taft has come down from this high position and admits that there was much force in the questions of the North Carolina Senator and that they have resulted in the correction of certain abuses at which they were aimed. This admission was made by him while before the senate committee on military affairs on Tuesday. He went so far even as to admit that the war department should not have paid all of General Wood's expenses on that globe circling tour and said that the general had been requested to refund part of the money paid to him as expenses on that trip. He recommended that hereafter actual expenses only in traveling be paid army officers and that the latter be required to travel on insular possessions.

Senator Overman knew what he was about when he was putting those questions and he did not allow himself to be thrown off the track by the haughty attitude of the war department officials toward him, and the line of questioning he saw proper to pursue. The result of his persistency is an admission from the secretary of war that he was right and that there were abuses of the kind he pointed out.—Wilmington Messenger.

### Business Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness caused by catarrh that cannot be cured by Hall's Catarrh Cure. Send for circular free.
