A., writes: "I am a great sufferer from rheumatism, all over from head to foot, and Chamberlain's Pain Balm is the only thing that will relieve the pain." For sale by Standard Drug Co. Asheboro, W. Former Montgomery Awarded Patent on Airbrake Appliance.

Mr. John B. Wright, formerly of Montgomery county, but now of Greensboro, has perfected and secured a patent on a railroad safety airbrake. The patent is the result of three years work. The device sets in operation the brake already on the train, automatically putting it into emergency in case of derailment or anything that causes the truck to be placed in an abnormal condition. Any derailment, a split switch, the breaking of a center pin, wheel or axle immediately puts the air brake on the whole train, thus doing what the engineer would do if he knew the moment any such accident occurred, which he of course cannot know. The best railroad men in the county who have carefully investigated the invention, declare it to be absolutely new, and by far the most practical and perfect prevention of disastrous wrecks yet discovered.

SPECIAL REMARKS.

I am sure my Remedy will give perfect satisfaction in cases where a TONIC, ALTERNATIVE, PURIFIER OF THE BLOOD OR NERVE is needed. I do not believe unequal can be found for nervous prostration, and when one is "run-down," it will certainly build up and restore to perfect health. I used to direct if half dozen bottles of my Remedy be taken and no benefit felt to stop it that it was useless to try more, but I have met with a great many chronic cases, where no perceptible benefit was felt on the first half dozen bottles, and its continued use effected a cure.

In chronic cases of long standing where any of my Remedy is needed at all the use of a dozen bottles is necessary, and in many cases more. Some take half dozen and more before feeling any benefit; a great many tell me they have felt better from the first dose; most report benefit on second or third bottle. It will cure INDIGESTION and stomach trouble. It will counteract BLOOD POISON. In such cases give a wineglassful every 15 or 20 minutes until the effect is felt in the head. I most urgently recommend the Remedy to every one suffering from any trouble that comes from impure, impoverished, or poisoned blood, or for a "run-down" system. The use of the Wash is of the utmost importance to be used in connection with the Remedy, in cases where there is any external trouble, inflammation, ulceration, or itching humor.
