The Benefit to Capt. Jack to-night promises to be an excellent affair. He and his company have been fortunate in the selection for the evening, it being one of the finest and most interesting plays on the stage. We hope the house will be crowded, as a compliment fully merited by Capt. Jack, for his earnest endeavors to amuse and entertain this community this season.

The Knowille Journal of the 3d says: The Richmond & Danville Railroad Company have decided to build a magnificent hotel at Warm Springs, with a capacity of 1,000 guests. It will be a modern building in every respect and work will begin at once.

This is the first known about it here, and we are at a loss to know the foundation of the statement, which we hope is true. Rumors are in the air. The rebuilding of the Warm Springs hotel would benefit Western North Carolina generally.

A GROWING BUSINESS. The monthly pay-roll of the Morganton Furniture Factory is one thousand dollars. Substantially and rapidly this excellent enterprise is growing, and promises to soon be one of the largest establishments in the country. We wish it continued growth and prosperity.
