worked during the past summer with great perfection and satisfaction. As a consequence the sleeping coaches have largely been used. The conductors are courteous and watchful for the comfort of the travelers, and the porters are very attentive and modest in their expectations. We learned one fact recently which relieves a good deal of fastidious anxiety. The same bed linen is never used twice in succession; and at the end of the route every particle of bedding is taken out of the conches and aired, a special force being detailed for this purpose. The system is as healthful as it is convenient and luxurious.

The Sevente Semi-Annual

employment, and securing a home for the deserving of home for the deserving of else, in discovering an unworthy imposter, and publishing the same, or their signatures proven on onth worthy imposter, and publishing the same, or their signatures proven on other ceremony with the same, or their sign
