STATE NEWS.

The Goldsboro Argus says: Hon. W. T. Dortch will be a candidate before the Democratic convention in this district for the nomination to Congress. He will have the hearty support of the whole people of this county; and the Fayetteville News Green for Congress.

The State Board of Education in Raleigh on the 8th met in the office of Governor Scales, ex officio chairman, and heard reports of its engineer upon the swamp-lands—their drainage and reclamation. It is evident that the Board is determined to take most decided steps toward improving and developing whatever Italy. there is in these immense tracts. Some tracts are unquestionably of great fertility.

at Mocksville on Friday night last, judges of the circuit court.

of consumption, aged about 58 years.

This information will be bear with of consumption, aged about 58 years. This information will be heard with survey, though it could not have been unexpected; for the deceased had been in delicate health for a number of years; and it was only indomitable will and a cheerful temper that sustained him so long. He was a very fine lawyer, perhaps as thoroughly grounded on the fundamental principles of law as any man in the profession. And this was sustained by the rank he held at the bar; not through his eloquence by the home club clique.

It is believed at Cleveland, Ohio that the chargets of Labor in its present form is near at hand. The say that Powderly has been conquered by the home club clique.

The Rawley Springs, 12 miles from Harrisonburg, Va., were burned on the morning of the 8th. The main building known as the Virginia House, and out buildings were destroyed. The Baltimore House was saved. The less is estimated at \$130,000. at the bar; not through his eloquence mated at \$130,000. as an advocate, although he was a The Orangemen good speaker, but through his learning, his clear judgment and his al-most infallible conclusions. His reputation as a lawyer was diffused through the State; and this, united with fine personal character, made him prominently named in connection with a nomination for the that a new ticket be put in the field.

CONGRESSIONAL

WASHINGTON, June 9th. Senate.—Mr. Butler presented a remonstrance from South Carolina against the passage of the electronic garine bill.

The senate then proceeded to con-sider the bills on the calendar un-

Mr. Hawley moved the indefinite postponement of the Vance bill repealing the civil service law.

Mr. Vance called for the ayes and nays, but Mr. Harris objected, and

the matter went over. When the debate closed the bill was passed. A considerable num-ber of bills for private relief were passed and the senate, at 5:45 p. m., adjourned.

House.—After some routine business, the house went into commit-

Mr. Compton favored an honest, economical administration of the

Mr. Pitt, of Illinois, commented upon what he termed the extraordinary provision forced upon the appropriation bill to nullify the civil service law. If it were not ruled out on a point of order he hoped it would be defeated by a square vote. Mr. Bayne, of Pennsylvania, pro-

all, of his cabinet were endeavoring in goop faith to execute the law. After some further debate Mr. Holman suggested that the debate should end at 4:20 to-day, but the republicans objected to it as being

his level best to carry out civil ser-

vice reform, and that most, if not

too short for a time. Mr. Reagan, of Texas, thought that the debate should close at earlier hour, saying that it was too late in the session to listen to politi-

cal essays.

It was finally agreed to close the eneral discussion at 4:50 p. m. Mr. Springer asserted that half of the pension office employees who were not protected by law, were republicans, and that the government printing office was still presided over by Er. Rounds, with 2,600 cm-eloyees, who did not come under the civil service law.

D. A. Bradford wholesale paper deals of Chattanoogs, Tenn., writes, that he was seriously afflicted with a severe cold that settled on his lungs: had tried many remedies without benefit. Being induced to try Dr. King's New Discovery for Consumption, did so and was entirely cured by use of a few bottles. Since which time he has used it in his family for all Coughs and Colds with best results. This is the experience of thousands whose lives have been saved by this Wenderful Discovery.
