The truth is Tom Johnston is a capital popular speaker, easy, self possessed, animated, fluent, racy, yet, well, informed ready with his facts, prompt in his refutations, strong in his argument.

He referred to his nomination two years ago and called attention to the fact that two weeks ago the same party had renominated him by acclamation. Two years ago Maj, Malone had come to his assistance.

BLOW YOUR BOSE. Disgusting Habts.
(From the Chicago Heralds)
Perhaps the most diagusting and filthy
habit to which Americans are addicted, is the dirty indifference to the use of marked by large reducton in the wards the organization of a trust offensively in a crowded car and in the company, with its principal effice presence of ladles, where there is no in Charleston, and with branch ofcovernment expenses, by the detection of the system of frauds which thad lost to the treasury many millions annually, by the restoration to the control of the government of many million acres of public lands, by the check given to subridies, by enforcement of honesty and the exactness of work from government to a sytem of honesty in the conduct of public affairs.

I will not undertake, at a late hour of the night to say more. Mr. Johnston made an impression here that was strong and deep. His democratic vote for Mr. Malone, and Mr. [Herren from present appearances will get the Republican vote. This is the result of inquiry as well as observation.

Judge Avery has not yet arrived, nor any one to fill his place, so no court as yet.
