SOLICITORS. 10th District-W. H. Bower, of Caldwell. G. S. Ferguson, Haywood.

SENATORIAL DISTRICTS. 36th Dist .- I. H. Bailey, of Mitchell. John Tull, of Burke. 40th District—I. N. EBBS, of Madison. 41st " G. W. Wilson, Transylvania Kope Elias, of Macon.

T. B. KINGSBURY ESQ. ute to the above gentleman :

The editor of the Wilmington us aspire to be an editor than all other things combined. The Star in existence. recently came out with some articles on young men. The paper, we regret, is not read by every young man in the State. Well, it is very natural for men bright and honorable to take a delight in the study of the men who are soon to take the Ohio River and will connect Cleveland's administration. their places. It should be a great Charleston with much of the most inspiration and encouragement to our young men for the old men to States. The line, when completed, find in them the talent for the fu. will be 158 miles shorter than any ture, and all the greater encourage other line, connecting the same sections, that has been previously sureconomical. have had such poor opportunities the road have been completed, and to get themselves ready for the life it is expected that the track will be that is before them.

While the writer of this is aware of the fact that he is not a favorite teen months. with the gentleman above alluded! Perhaps the best assurance of the to, as shown on many occasions,- good faith of the projectors of this and why he could never divine, - important railway enterprise is conyet he most heartily sympathizes tained in the fact that Col. Frank Coxe, now a resident of North Carowith all that is said and implied in lina, but for many years an active the above. As his junior by many and prominent citizen of this State, years, the writer of this has always has been elected president of the ardent Democrats. had a reverential respect age more, it regard for Mr. Kingsbury, for ne has never uttered a thought consonance with the highest type of particle with the highest type of particle with the successful president of the decided president of the constitution. The regular use of Ayer's cathartic Pills in mild doses, will retriotic or social or religious obliga- the Commercial Bank of Charlotte, tion. We have differed with him firm of Coxe Brothers & Company, on some matters of State polity, but extensive coal miners in Pennsylvanever wanted in the kindliest re- nia, and is now the vice president of spect for the good man. Yes, he the Western North Carolina Railwill be missed, when his summons shall come to cross over the river, Col. Coxe commands in a marked not only by young but old men in degree the confidence and esteem of North Carolina. We could only the people of North Carolina and of hope to emulate the integrity of his the larger part of this State, where

in some particulars.

that five gentlemen, connected with guarantee that the enterprise has the press of the State, have reached both life and energy in it, and is full the age of Mr. Kingsbury, become South Carolina. patriarchs; in years, in experience, in thought,-a few Gamaliels at whose feet it is the privilege, as it makes the following remarks: is the pride, of the rest of us to learn wisdom; viz, Messas. Creecy of Eliz. like toknow who (of our legislative abeth City, Yates of Charlotte, mints to the mechanics lien law as Bruner of Salisbury, Kingsbury of will easily secure them in the enjoy-Wilmington and, his associate of ment of the fruits of their labor, or the CITIZEN, Col. Cameron. There will favor a law forbidding the emare over one hundred comparatively ployment of convicts in such a way Goods for Men's wear, very cheap young men conducting journals in the State now, but to these Nestors ployed on public higways, thereby Dress Goods, some that came this W. S. Gravelys "Extra Chem," of the Press do all bow in not only improving our roads, profitably emhumble, but grateful recognition ploying convicts, and allowing honand esteem, anxious to be fitted to take their places in the great work they may compete only with hontake their places in the great work est men. to which they devoted unselfishly,- As shown in the Crrizen of Octoshall we say without due reward? - ber first, Mr. Jones voted in the I have in my Winter Shoes their talents and their lives. As legislature in favor of preventing the they have loved their State, may employment of convict labor in Am selling them very fast, we who come after so love;it as they competition with free or skilled laproved true in all demands upon bor. How did Mr. Pearson vote them, so may we. If public recog- upon this question? The Ayes and nition were measured by personal Noes were called, and eighty two fidelity, we could ask no more than men voted; but the journal fails to these gentlemen have merited, or show that Mr. I carson voted. So will merit.

INCREASE THE PUBLIC SCHOOL FUND.

The CITIZEN is pleased to note that, by virtue of democratic cconomy in the administration of State affairs, and the rapid improvement of the people of the State by virtue of this honest and economical demonstration of the people of the State by virtue of this honest and economical demonstration of the people of the State by virtue of this honest and economical demonstration of State and Lang Syrup in his family with the most satisfactory results, in all cases of coughs, colds and croup, and recommends it in particular for the little ones. Sample bottle free at H. H. Lyons. dawlw. ocratic administration, the legislature will in all probability be enabled to reduce the general tax levy of the State at least twenty per cent if not more. While this reduction may be made in the general levy, the CITIZEN hopes such amount if not a greater, may be added to the levy made for common schools.

it raised to twenty-five cents, but, if not do this, at least add the ville CITIZEN is throwing tons of hot reduction made in the general levy. and increase it that much. Our public schools need this increase, our children need it, and let the

to give all the children an opportu-Are the while men of Buncombe county ready for Mr. Pearson to the lack of abuncan in the system. This can only burdened behind what they are in heavily burdened Virginia, and the Democratic party would violate its sacred pledges if it reduced the taxes and failed to make provision for a better public school system. There must be a lack of life and white people of Eastern Carolina to Mr. Lusis and Mr. Bill Deaver for the support of the colors ed voters of Buncombe to help him, but it is lacking there is a lack of life. But some one asks "How can abunen be imparted to the system?" By keeping the body in proper condition for absorbing and retaining the albumen that is taken into the system. This can only be done by properly stimulating the faculties and organs that absorb albumen.

It was the realization of the above truths

The Sanford Express pays the following very just and graceful tribute to the above gentleman:

Inst exults over the prospect of the combe two years ago. Mr. Pearson life and activity to the race, than any content was elected on it. Why don't he discovery of modern times. It is attinuted to the above gentleman:

Inst exults over the prospect of the combe two years ago. Mr. Pearson life and activity to the race, than any content in the least, harm even a submit to the will of the majority? of the Charleston, Cincinnati and Star is an old man and we are sorry Chicago railroad companies in North of it, for he cannot live a great while. Carolina and Kentucky, which ins He will be missed by many a young sures a line from Sumter S. C., to North Carolinian. His writings Ashland, Ky, the other branches of have had more to do with making through connection being already

> Referring to the instrumentalities enlisted in this great enterprise, the News and Courier speaks as follows:

The northwestern terminus of the road will reach the fertile valley of Southern young men since the war veyed, About twenty-five miles of laid from Sumter to a point well within the mountain district of North Carolina within the next fif-

sincerity, though we may approach the same goal by a different route believer in its future success and prosperity, and his connection with This recalls to this writer the fact the new road to Chicago is a of promise to Charles on and to all

A writer in "The Town Topic"

"The Knights of Labor would

far as the mechanic's lien law is concerned, it is well understood that Mr. Jones favors such amendment as may be needed to give the mechanics the very best protection.
