WE ARE PERMANENTLY LOCATED IN Asheville, N. C., Office on Main Street, Pulliam House, first floor. Office on Main Street, Pulliam House, first floor.

We make a specialty of treating Consumption, Asthma, Bronchitis Rheumatism, Paralysis, Chorea, Neuralgia, and, in fact, all chronic diseases, and all diseases resulting from an impover ished condition of the blood.

If you are able to walk to the office, you CAN be CURED, as many are being cured by our new treatment. We use in addition to the Oxygen, the Monday morning.

Medicated Vapor. In this way we can treat the lungs locally, as we vaporize all medicines; and the patient inhales the vapor, holding it for a short time in the lungs—thus the medicine held in suspension in the vapor is deposited in the air cells, where it is taken up by the blood. It not only produces the local effect desired, but
