SUPPER AND ENTERTAINMENT. Tuesday evening, Jan. 11, at the Opera we hope to deserve a continuance of the same. We have tried to carry a line of goods that would please all. Though while of necessity the very new and while of necessity the very new and choice articles would seem expensive, we have asked but a reasonable profit on them, and tried to offer a good variety at all prices. Knowing that articles of real merit or artis ic beauty are duly appreciated here we hope to carry a better line than ever before, also in Crockery and Glassware in all trades. P. M. This is the first entertainment ever given here by the Christian Church, and we hope our citizens will attend in great numbers, eat much, enjoy the whole evening immensely, and at the same time help on this good work. The treatment afforded him great relief, and he strongly recommends Electric Bitters to all who suffer with Kidney Complaints, or need a Blood Purifyer.
