Bill to exempt from taxation news as tabliseed manufacturing industries for a period of five years was considered and saying, I noticed a chilliness about referred to committee to be perfected. her that made we want to go to an Bill to authorize the county commission house and get warm. I thought Bill to authorize the country commissioners of Jackson country to few a special tax, passed its third reading and twas signers of Jackson country to few a special tax, passed its third reading and twas engrossed.

Significant

We suppose the following a good-humored satire by the Morristown Gazatte, in view of the recent scooping of the East Tennessee road by the R. D. system. Says the Gazette:

Bill to authorize the Country countries in the that feeding and twas sioners of Jackson country to few a special tax, passed its third reading and twas lady some 'polite attention, so I asked if she would go to the theatre some evening." "What did she would not show the parlor, and in a few minutes came back again. Did your ma consent, I inquired. Not exactly,' she said, 'Masays that you had better just hand me the money for the tickets and supper, money for the tickets and supper, 100 bags Coffee, and car fare, and let it go on your beard bill.' It made be terribly angry, but of course I couldn't say

> thinking real seriously about moving."—Merchant Traveler. In Illinois a youth, being jealous, gave his sweetheart mortal hurt and with the same weapon slew himself. In Connecticut a poor lass, disconsolate from loss of love, likewise made away with herself. The young men and the young women who venture out upon that roughest of the seas of passion need to be as circumspect as they can. The hot winds sometimes blow a hurricane when little Cupid is captain of the craft; so it is well for those who sail with him to watch the barometer and be ready to double-reef before the shrouds rattle. Love used to be blind, but there is no reason in this age of logic and gold-rimmed specs why he should continue to be so.
