It is with real pleasure that I express to the public my sense of obligation to Drs. Hargan & Gatchell for relief given me from a most annoying, and at times painful, case of Piles.

I had been a sufferer from this complaint for several years, and during that time it had been a constant source of amounts. a constant source of annoyance.

In March last I began a course of treatment under D s. Hargan & Gatchell which resulted in a speedy care. Since my discharge from their office I have suffered no pain or inconvenience whatever.

I take pleasure in saying further that in my intercourse with Drs. Hargan & Gatchell I found them true gentlemen in every respect and well worthy of the confidence of the people in general and the afflicted in particular.

We manufacture the Compound Oxygen, and ship it to all parts of the country, even to the Pacific Coast. We send apparatus and chemicals to last two mouths for \$12. This is as valuable as the office a reatment.
