ASHEVILLE, N. C., May 7, 1887, latched for relief given me from a most annoying, and at times painful, case of Piles.

I had been a sufferer from this complaint for several years, and during that time it had been a constant source of annoyance.

In March last I began a course of treatment under D a Hargan & Gatchell which resulted in a speedy cure. Since my discharge from their office I have suffered no pain or inconvenience

whatever.

I take pleasure in saying further that in my intercourse with Drs. Hargan & Gatchell I found them true gentlemen in every respect and well worthy of the confidence of the people in general and the afflicted in particular,
