THE PROPOSED RAILROAD SUE-SCRIPTION. Editors Citizen :-- Please give space to a

few plain views, is regard to proposed Seventh Connecticut regiment was rail road subscription : The firs, que-tion is, "Shall the Com-

missioners order an election ?" and this the reception extended to Col. Char will be decided next Monday. I think this answer should and will be-"yes." let. Because the chairman of the Based a grant bit here is bit here is a state of its capture by the Seventh in 1862 Board, a man noted for his level headed conservatism in all business matters,

approves it. 2nd. B-cause many of our largest pro- in command at Fort Wagner, where perty owners, who would have to pay the the Seventh in turn lost heavily in

bulk of proposed tax, wish it, and their wishes should be respected. Srd. Because it is always well to allow the charge on that fortification. The Colonel is a member of the military teff of Gouerner, Corden of Corden the sovereign people an opportunity of staff of Governor Gordon, of Georexpressing their opinion, and by so do-ing no one can be hurt. If a majority daughter, Miss Susan Olmsted, and are opposed to it, they need not even go while in Connecticut will be the to the polls, but can accomplian their quest of Indee A W Church of end by staying at home, but if a majority wish it, as I believe. they ought to have

will be ordered. The second question is. " How shall the oposition be submitted to the people ?" I answer, "in such plain simple terms, as every man can understand."

1st. It should be proposed to subscribe to the capital stock of each road \$100,000 to be paid in 6 per cent. 30 years bonds. While the capital stock of each railroad may not amount to much in value, yet on the other hand it may be worth a considerable amount, and we should take the settlement of questions which advantage of this chance. Moreover the had been for generations as thorn cap tal stock might be sufficient to cause the road to be operated more in the in-

authorized to issue and deliver these satisfies the south the south their greatest bonds, only when each road is completed tribulation, a future and a career far and in operation from Ashevelle to the county limits. In this way all danger of our belimits. In this way all danger of our be-ing caught again, as we were in the case of the Spartanburg and Asheville Rail Road, is entirely eliminated; we will in the not very distant future the have to pay no interest on bonds, until we have the rail road, and are receiving its advantages, and reaping the rich harvest which will of necessity accomharvest which will of necessity accomcomplaining fortitude of the Southpany it.

The third and most important ques- ern people as a heritage in common tion is, "Shall a majority of our voters approve the proposition?" I answer without hesitation "rzs," and when ask-ed "why?" I point to the following facts and figures: memories of the entire people as In 1879 the assessed value of property

\$1,202,001 in Asheville township was 1,429,438 2,631,439 Total In 1887 it is:
