THURSDAY MORNING, OCT. 27, 1887.

The News Observer objects to the Federal government owning a telegraph system in connection with the postal system, because it sees serious results from so much "paternalism."

The North Carolina Baptist of the 27th says:

Next week we expect to begin our review of the recent editorial in the Asheville Citizen against Prohibition.

We have no objection to the review Bro. Carter proposes to make of the article relating to Prohibition published some weeks ago;

We expressed our views, for what they were worth, as related to the great agitation through which the people of Tennessee had just passed.

Yesterday the application made by the counsel of the condemned anarchists to the Supreme Court for a writ of error was to have been heard.

ary and police force have been organized to secure the due execution of justice on the 11th day of November, unless the Writ of Error shall have been granted.

THE ATLANTIC AND NORTH CAROLINA ROAD.

The Raleigh correspondent of the Richmond Dispatch writes: "Some of our eastern papers and the eastern people are saying about the Atlantic and North Carolina railway or consent for it to be mortgaged in order to raise funds for the building of an extension to Fayetteville. They do the Governor a great injustice. He is a careful man, and with the courage of his convictions. He will not sell this road, in which the State has \$1,200,000 stock. That he considers a matter for the Legislature to handle. The Cape Fear and Yadkin Valley railway did not propose to lease the Atlantic and North Carolina railway. It only proposed to buy the State's stock therein at the rate of twenty cents on the dollar. Gov. Scales says the road is developing itself. If the two systems are to be connected the fifty-five mile link between Goldsboro and Fayetteville must be built by the Cape Fear and Yadkin Valley road. The entire matter goes over for consideration by the Legislature, in case the advocates of the scheme should desire to press it further."

The State's stock in that road ought not to be sold just now, certainly not at that price at any time. If Wilmington will make a reasonable subscription, the present road should be bonded and extended from Goldsboro to Fayetteville thence to Wilmington, securing connections with the C. F. and Y. V. road, and securing to the State, a system connecting the western portion of the State with both State seaports over its own property.

Following close upon Mrs. Cleveland's snubbing of Gov. Foraker comes the astounding announcement that the President wantonly and with malice aforethought kicked a yellow dog off the palace-car steps on Friday. Mr. Cleveland seems to be doing his best to ruin his chances for re-election.—Life.

Saves the New York World.—The recent Indian outbreak in Colorado is thus cleverly treated by the Amsterdam (Holland) Courant:

Indianen uit Utah zihn, met oorlogszuchtige bedoelingen, de grenzen der Vereenigde Staten overgetrokken doch werden door de troepen teruggedruven cij Colorado. Negeen Indinnen en tal van blanken zihn gedood. Een olognschen blanken en roodhuiden schiint nu onver mijdelijk.

On the whole this seems to be fair to all parties concerned. To the average American reader it will be as fully convincing as are most of the articles on the Indian question.

What True Merit Will Do. The unprecedented sale of Bosche's German Syrup within a few years, has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds and the severest Lung troubles. It acts on an entirely different principle from the usual prescriptions given by Physicians, as it does not dry up a Cough and leave the disease still in the system, but on the contrary removes the cause of the trouble, heals the parts affected and leaves them in a purely healthy condition. A bottle kept in the house for use when the disease makes their appearance, will save doctor's bills and a long spell of serious illness. A trial will convince you of these facts. It is positively sold by all druggists and general dealers in the land. Price, 75 cents, large bottles. d&wcooly
