effort of Mr. Ignatius Donnelly to pull recital delightful and captivatingly Wednesday evening at 4 o'clock. down Shakespear from his pedestal, pleasing to the ear. Neither does and place his laurels on another brow may amuse as an exercise of brilliant imagination or scholarly love, but Shakesame. There was but one Shakespear; there will be no other:

## The Bownfall of Shakespear!

BY DAN'L MCLAUGHLIN THEFTELL.

EY DAN'L MCLAUGHLIN THEREEL. When wisdom yields to folly's reign; When virtue fades from th' minds of m en And last doth reign on earth again; When Darwin finds the monkey's soul And Blaine doth resch the White-house goal; When cenn quates from abore to shore And backward rells with rumbling roar; When comets s ray through space and huri The'' Old Attautis'' doth appear; When comets s ray through space and huri Their flery talls around new world? When all these things shall come to pass Should then, our silly drea. Ing ass, Withstand the sheck and world out race A Bacon's name in Shakespear's pisce? But heedless of'' the Crystogram or other trivial fancied sham, From fools, to cull a petty fame I think, perhaps, that Shakespear's nams May live to pardon Donnelly s rage And bot his name from history's page: Asheville, N. C., Now 17th.
