A STARTLING ROBBERY.  
Eight or Nine Hundred Dol-  
lars Stolen from the Ashe-  
ville Postoffice.  
Yesterday morning when Post  
master Weaver entered his office, he  
found the door open. Alarmed at  
so unusual a thing he proceeded at  
once to the safe. That was also  
open, and investigation proved that  
it had been completely emptied.  
The glass front of the money order  
drawer had been smashed in with a  
four pound weight, which was  
found lying by the safe. That  
drawer had been prized open with  
a knife, and these were also em-  
ptied. The whole amount taken is  
estimated at between eight and nine  
hundred dollars.  
The work was done by some one  
having a key to the outer door, and  
familiar with the combination of the  
safe. On that no violence was used  
except in breaking the glass of the  
money order drawer.  
At present it is not necessary to  
say more on a subject which is as  
startling as this is distressing.

THE COLLEGE FESTIVITIES.  
The young ladies—not to men-  
tion the President, and Faculty—  
have occasion to re-remember their  
Christmas holidays with keen pleas-  
ure. It was a bright, charming  
transition from the monotonous  
heavy duties of school life to the  
light, though innocent, festivities  
the season brought with it; the  
rolling away of the ponderous cloud  
of duty to enter the bright and care-  
less sky of youthful exhilaration.  
Friday evening before Christmas  
they had their holiday musicale, at  
which fine music, vocal and instru-  
mental, delightfully opened into the  
holiday season. Saturday night  
they had their Christmas tree, richly  
loaded, and beautiful as the taste  
and skill of many fair hands could  
make it. Sunday night they had their  
religious Christmas service, and an  
appropriate and able sermon by  
President Atkin. Monday night  
they had their pyrotechnic display,  
to which the young gentlemen of  
the city largely contributed. This  
was probably the finest of the kind  
ever witnessed here as an individ-  
ual enterprise.

THE PIONEER OFFICE GUTTED.  
Information from Brevard of the in-  
jury to the Pioneer office is to the fol-  
lowing effect:  
On Saturday night last the door of the  
Pioneer office was broken open, and ten  
cases of newspaper type thrown into  
"it." About three cases were emptied  
out of a window, the others were em-  
ptied on the floor. Four brass galleys  
carried off, together with some other  
materials. It will take about two weeks  
to get the office straightened up again.

LATEST NEWS.  
Mr. Gladstone has gone to France.  
Columbus, Ga., is to have a large  
exposition next fall.  
The rumor that Emperor William  
was dead is officially denied from  
Berlin.  
A favorable bulletin has been is-  
sued concerning the throat of the  
Crown Prince of Germany.  
The Presidential party have re-  
turned to Washington from attend-  
ance upon the funeral of Mr. Mann-  
ing.  
Catholics and Orangemen had a  
desperate battle at Killybegan, Ire-  
land, Wednesday. The house of the  
priest was completely wrecked.  
Lord Randolph Churchill sudden-  
ly turns up in St. Petersburg. The  
government at London denies any  
knowledge of the visit or its object.

SALARY RAISED.  
At the annual meeting of the First  
Baptist church held on Wednesday last,  
it was found that after paying the Sexton,  
&c, there would be about \$50 in the  
treasury. It was unanimously agreed  
that as a token of esteem the salary  
of Dr. W. A. Nelson be increased to  
\$1000.  
POSTPONED.  
The young ladies of the Asheville  
Female College had promised their  
friends a missionary entertainment at  
the College this Friday, evening,  
but owing to another occasion al-  
ready appointed being in conflict  
they have decided to postpone their  
entertainment for a few days. Due  
announcement will be made later  
to the time the entertainment  
will be given.  
ATTEMPTED ESCAPE OF PRISONERS.  
Tuesday afternoon when the son  
of Sheriff Worley entered the jail  
he found that a lot of prisoners, in-  
cluding Laughter, committed for a  
recent murder in Henderson coun-  
ty, Terrell, Young and Glass, held  
for minor offences, had broken the  
hinges of the cell door, and were  
preparing to escape. Mr. Worley  
managed to draw them back into  
the cell and closed the door with a  
lever, and had the prisoners secure  
until he could procure assistance.  
He called in his father, the Sheriff,  
who at once called on Chief of Pol-  
ice Waddell, who proceeded at  
once to the jail with policemen  
Hunter and McDowell. They took  
charge of the prisoners, and secure-  
ly manacled them; but before night  
they, or some of them, had cut  
their chains.  
Wednesday evening a farther  
search led to the discovery of a very  
small saw secreted in the cell.  
It is believed that there is now  
no danger of farther attempt.

OFFICE OF THE "WORLD,"  
115 N. York, N. Y. 15, 1887.  
I was obliged to cancel all of my lecture  
engagements for the winter, and to give up  
for a time. I went to Asheville and placed  
myself under the care of Dr. Hargan and Gatchell.  
Continuing to improve, and finally being  
restored to health and strength, I am now  
able to resume my duties. I feel better than  
I have for many years. I regard their expert  
treatment as being of great value; they are gentlemen  
of skill, and worthy of the confidence of the public.  
B. L. NYE.

Mr. F. B. Johnson, of Mossy Creek,  
Tenn., spent Christmas week in this  
city with friends.  
Capt. Matt Atkinson is confined to his  
room by sickness, we regret to hear. He  
hopes to be out in a day or two.  
We had the pleasure yesterday of a  
visit from Mr. Charles F. McKesson of  
Morganton, who was accompanied by  
Mr. Perkins and Mr. Avery also of Mor-  
ganton.  
Mr. F. P. Starratt, brother of Mrs. H.  
L. Lang, of this city, died in Richmond,  
Va., on the 25th, after a short illness.  
Mrs. L. may be assured of the sympathy  
of all her friends in her sorrow.  
The sharp end of the last northwestern  
blizzard projected this way with a  
very keen sting. Yesterday morning at 8  
o'clock the mercury stood 8 above zero,  
with a clear sky, but a biting northwest-  
er.  
Mr. W. P. Siler, formerly of Mac-n  
county, a brother of Mrs. James L.  
Robinson and Mrs. Kope Elias, but now  
of Dallas, Texas, gave us a pleasant call  
yesterday. He was on his return from  
a visit to his old home in the Lone Star  
State.  
The Hospital gratefully acknowledges  
the receipt of the following Christmas  
gifts:  
Episcopal church \$3.21, Mr. J. Adger  
\$1.00, Mrs. M. C. Carline \$1.00, Mrs. S.  
Roman Catholic church through Father  
White \$1.00.  
Dr. Purkey 1 turkey, Mr. A. W. Kepler  
1 turkey, Mrs. Sol Kidel 1 turkey, Dr.  
Battle 1 turkey, Mr. Wolfe package of  
tea and sugar, Mrs. Morrison two  
cans of sardines, Ladies of Presbyterian  
church 1 turkey and large bowl chicken  
salad and cake.  
Ought not the business and working  
men of Asheville hold a meeting early  
in January and take steps to organize  
advertising agencies for the benefit of  
this city and section? Such movements  
are made State affairs in Texas and  
other States, and they result in ex-  
cellent ways of inviting and attracting  
people to their respective sections. Can-  
not Asheville do something in this  
direction? If such steps be taken, it  
will next Spring, Summer and Fall we would  
have an influx of population and capital  
which our most sanguine citizens have  
not even dreamed of.

THE CAROLINA, KNOXVILLE & WES-  
TERN ROAD.  
Yesterday Major Stringfield re-  
turned from Greenville, S. C., and gave  
us information of the election held  
on the 28th in Greenville city  
and county on the question sub-  
mitted to vote bonds to the amount  
of \$200,000, as contribution to the  
construction of the road above  
named.  
The proposition was carried by  
the city almost unanimously, the  
ayes being 2,435, nays 43. The  
county had not been fully heard  
from, but the accounts received were  
highly favorable.  
Maj. Stringfield says the contract  
for the construction of the road has  
been let to the Georgia Construction  
Company.  
FIRE ALARM AT THE EAGLE.  
Christmas afternoon fire was dis-  
covered in the apartment occupied  
by Levy as a fruit store, and Clarke  
as a clothing store. The fire seems  
to have been caused by a defect in  
the stove and had not progressed  
far before the alarm was sounded,  
and full streams of water being  
turned in the fire was soon extin-  
guished.  
The stocks of both tenants were  
ruined by fire or water. The loss is  
not yet ascertained. Insurance will  
readily cover it.  
When the alarm was given, po-  
lice-man Smith was one of the first  
to reach the spot. In his eagerness  
to enter he kicked against a glass  
light. A splinter of thick glass cut  
through his boot and entered his  
foot, inflicting a deep and very  
painful wound. Surgical aid was  
at once had, and the glass was ex-  
tracted.  
When all so-called remedies fail, Dr.  
Sage's Catarrh Remedy cures all.

turned in the fire was soon extin-  
guished.  
The stocks of both tenants were  
ruined by fire or water. The loss is  
not yet ascertained. Insurance will  
readily cover it.  
When the alarm was given, po-  
lice-man Smith was one of the first  
to reach the spot. In his eagerness  
to enter he kicked against a glass  
light. A splinter of thick glass cut  
through his boot and entered his  
foot, inflicting a deep and very  
painful wound. Surgical aid was  
at once had, and the glass was ex-

FIRE ALARM AT THE EAGLE.  
Christmas afternoon fire was dis-  
covered in the apartment occupied  
by Levy as a fruit store, and Clarke  
as a clothing store. The fire seems  
to have been caused by a defect in  
the stove and had not progressed  
far before the alarm was sounded,  
and full streams of water being  
turned in the fire was soon extin-  
guished.  
The stocks of both tenants were  
ruined by fire or water. The loss is

OFFICE OF THE "WORLD,"  
115 N. York, N. Y. 15, 1887.  
I was obliged to cancel all of my lecture  
engagements for the winter, and to give up  
for a time. I went to Asheville and placed  
myself under the care of Dr. Hargan and Gatchell.  
Continuing to improve, and finally being  
restored to health and strength, I am now  
able to resume my duties. I feel better than  
I have for many years. I regard their expert  
treatment as being of great value; they are gentlemen  
of skill, and worthy of the confidence of the public.
