all the centers of function and in- the law run its course.

The Goldsboro Argus says:

the point: "If money from an over- two different punishments, one of flowing national treasury for public which was remitted; the other sharp, and Nervous Pales, Stades and Nervous Pales, Stades and Nervous Pales, Stades and Weakner The first and only pain killing Plaster, 25 cfs. nents of popular education contend, destroy self-reliance, self-respect and independence, then is it not a bad there is an impression that there is an impression that there is Dawsons creek on Neuse river last too much tenderness in the treats tion of the great philanthropist, too much tenderness in the treat- Friday, January 20th? It was be bad thing to endow our colleges so uncertain, and that when ordered diameter and 30 inches around that worthy men can be educated free of charge? If we are to believe to be inflicted by the courts, the About 19 ibs of oil was taken from the argument advanced by these end is defeated by such appeals as it. enemies of public schools a young weaken the purpose of the execuman who accepts these aids in try- tive by influence on his sensibilities. Is Nature's own true laxative. It is the most

conditions of the appropriation and its appropriation or private donation or bequest. The end is accomplished when money is applied according to the provisions of the appropriation and the conditions are conditions.

Give Them A Chance!

That is to say, your lungs. Also all your beneathing machinery. Very won derful machinery it is Not only the larger air passages, but the thousands of little tubes and cavities leading from them. When these are clogged and choked with matter which ought not to be there, your lungs cannot half do their work. And what they do, they cannot do well. Call it cold, cough, croup, pneumonia, catarrh, consumption or any of the family of threat and nose and head and dought to be got rid of. There is just one sure way. the conditions of the he-quest or the endowment. The Boschice's German Syrap, which an one comes out of the demand of the druggist will sell you at 75 cents a notific. Even of everything else has failed you you may depend upon this for certain. means for which they have express- deweowly ed their desire to be taxed; the other comes out of the generosity of private liberality. And the whole, public or private, is used under the control of laws which the people themselves through their law makers have enacted and cannot be diverted from their uses by any other

The Blair bill on the contrary proposes to take the public moies wrung from the people by exc saive and unnecessary taxation, loaped invold letters between these dates should look them up I want old U. S. and up in the public treasury until it confederate stamps, used and unused; amounts to a dangerous and troub-lesome surplus, so much taken from twe list, giving prices, it is FREE. C. H. MEKEL, St. Louis, Mo. circulation, adding to the financial distress of the country, and unsettling its whole business. And the bill proposes to avoid and confess the iniquity of the means by which the surplus was accumulated by RICHMOND. . . VIRGINIA. the assumed generosity of returning it to the people, not as they might demand and dictate, but as the bill and Heavy Muchines Send for Catalogue and itself provides. And upon the supposition that the surplus may be POR SALE. exhausted or cease to accumulate, Also one good iron safe. For safe by substitution of the land to be substituted distributed by taxation predicated upon the continuance of large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bigh tariff and the continuance of the large treasury receipts from bight tariff and the continuance of the large treasury receipts from bight tariff and the continuance of the large treasury receipts from th internal revenue. And the amount scarts and four anti-ne lace tilles.

A reward of the dollars full be publif for the return of same.

So wrung from the people is to be distributed as to deny to the parties CANADA COWAN assumed to be benefited the right to control it, but places it under the supervision of officers of the national government. And thus the people are to be taught to be profoundly grateful to the government for giving them back, under conditions, a part of the money extracted from them; to look upon that government FITZPATRICK as a gracious benefactor for doing what it has no authority under the Constitution to do, and finally to lean upon that government for every ASHEVILLE. . . N. C. thing, and loss that independence of spirit which it had always been Wa'l Papers, the pride of the North Carolinian to assert.

This is the degradation, and this the training which would lead the young man to sit down and wait for somebody to support him the balance of his life.

PETITIONS-PARDONS.

The position of the Governor of The position of the Governor of North Carolina, as the sole, subject of appeal for mercy for the condemned criminal, and with the sole discretion, is a difficult and invidious one.
