## Republican Cussedness.

WASHINGTON, March 16. - The wavs and means committee again considered the internal revenue section of the Mills bill to-day and completed it with the excertion of the paragraph relating to the destruction of private distillery apparatus and to the treatment of prisoners whose health was jeopardized by confinement. Over these sections there was some difference of opinion and it was evident that the Republicans will vote against them cases after Thursday evening of next etc., which they proposed entering was taken because of the want of the part of the minority to the moweek.
