and by honorable and upright dealing, that we could succeed in establishing a business here. It is very gratifying to us at this date to be able to state that our expectations have been more than realized, and it is with no manner of boasting, but with thankful gratification

that we to-day claim to have the Largest Grocery Trade in Western North Carolina, and one of the

largest in the State. One result of the increased business is hat we have been able each year, to buy our goods at closer figures, until to-day we find ourselves buying a large proportion of our goods delivered in Asheville at same prices paid by jobbers in the large cities.

cent larger than any preceeding year, and in mapping out a campaign FOR 1888,

Our trade for 1887 was about 20 per

benefit of the difference we save in our purchases. and this means a saving to you of from 15 to 25 per cent.

In doing this, we are not cutting prices to hurt any body, but sell you these goods at the same per cent. we formerly did, The difference being the

amount we sare in buying. To show how this works, we will call your attention to the following prices and let
