THE PROGRESSIVE SOUTH.

in the following way: tanburg! Six cotton factories or- sen. gan zed and building within the We consider it especially imporcounty, at the same time; nearly a tant that South Carolina shall have million and a half of dollars placed a full representation at the Hot in manufactures in one year. Who Springs, for there will then be an can look for a better showing any- opportunity to discuss the whole where? Spartanburg has begun to subject of immigration in a way move forward. Where will she that it has never been discussed beclimb to? Who can foresee?

SUGGESTIVE.

Our neighbor the Skyland Herald, | find a way to carry their purposes the republican organ of Western into effect. At the Hot Springs, Carolina, evidently means some of railway who will bring immithing by the following:

"The aspirant for office now immense power to advance the perched upon republican princi- movement, will be in active co operples, and fortifying himself by pro-fessions of well known popular resentatives of the States to which the publican doctrines, and at the same | immigrants are desired to come. time persistently retusing to puba In the utilization of the opportunilicly own that he is a republican, is ties which the railways can give, of our republican friends, the ene- there is, without going further, such my. No simon-pure republican, means of making known the advanworthy of office or trust, need be tages of the Southern States as have ashamed to own it before the world, never been enjoyed before. Join to the flesh and the devil, no matter this the intelligent and persistent how great a sinner he may have work of the States themseves, and

Our neighbor might have added cess of this project. that the devil would not be ashamed | The railways will give equal adof him either.

OUR TENNESSEE FRIENDS.

We have been noticing the contest in the democratic party in Tennessee with much concern and in- will hold its next session with the terest, not local, though our sympa Va., on Friday, May 11th, 1888. The thies are with the aspirations of the committee on hospitality will be present Governor, but general, ap- prepared to offer entertainment to prehensive lest the unseemly and such members of the Convention as undemocratic fight being waged within the family might have a within the family might have a dangerous tendency. Every demo- such notice. crat has a right to his choice, and that choice, properly expressed, should be heard, and, being heard, the minority should readily submit to the majority. The Knox county demogratic converging convertion to select delay the select delay of the majority of the select delay of the s democratic convention to select del dangerous. Consumption is death itself.

The breathing apparatus must be kept egates to the State Convention met | healthy and clear of all obstruct one and | in Knoxville on Saturday. It was offensive matter. Otherwise there is an extraordinary convention, being trouble ab ad. the largest ever held in East Ten-can be delightfully and entirely cured by connell, candidates for the you don't know this already, thousands great expenses. nomination for Governor were represented in the convention. It how it is, themselves." Bottle only 75 satisfactors from the satisfactors and thousands of people can tall you. They have been cured by it, and "know how it is, themselves." Bottle only 75 satisfactors. was a very exciting convention, but cents. Ask any druggists Gov. Taylor's friends, it seems, were in the majority, and, of course, controlled the convention. We say "of course," because, to our sur- by prise, the democratic organ of Knoxville, which has been very severe in its opposition to Gov. Taylor, in alluding to this convention | C. A live Democratic from South makes this statement by way of tern North Carolina. Best advertising complaint against the result of the medium west of Asheville. action of the majority. The Tribune diff states the Taylor men used fair words toward the McConnell men before the convention, and adds :

their fair words but there were many McConnell men who believed that they were sincere. Doubtless the chairman of the executive compilers thought there sincere. At the control of the executive compilers the chairman of the executive compilers thought there sincere. The ing Saisaparilla Open's Delicht Louisian that the ignoration of the executive compilers thought there sincered the chairman of the executive compilers thought there sincered the chairman of the executive compilers thought there is necessary to the propose of the chairman of the executive compilers thought there is necessary to the propose of the chairman of the executive compilers thought there is necessary to the propose of the chairman of the executive compilers the executi "The Tribune has had no faith in mittee thought them sincere. Although he had it in his power to de- remedies for purifying the blood. It is clare a McConnell man elected per-manent chairman he yielded to the pleading of the Taylor men and competent home druggist Call and try obtainable at a fair and reasonable profit, gave them a division. No Taylor a bottle, price \$1.00 at chairman in the State has ever acted thus fairly toward the oppo-

"The result of the count as reported by the tellers showed that REAL ESTATE there were more than one thousand in the convention, and that Taylor had less than 150 majority. But this elected the Taylor chairman."

This, to us, is an extraordinary lot containing one acre. Splendid locationstatement How could the chair- Price \$2000. Terms easy. man declare a man elected who, according to this statement, had a majority against him? What right | be gotten very low! has the chairman to decide any such matter when a vote is taken? He only declares the result of the Avenue. vote, those for and those against the proposition submitted, the majority deciding the result. If a majority of those present, whose right to be present the Tribune does not question, were for one man, what right under democratic rules, has the minority to complain?

We allude to this matter for the purpose of asking our Tennessee friends who oppose Gov. Taylor if they are not carrying this matter dangerously far.

THE HOT SPRINGS CONVENTION

AGAIN. In alluding to this important meeting the Charleston News and

Courier says: The object of the meeting is to promote immigration to the Southern States east of the Mississippi and it was devised and is promoted by the officers of the railway and steamship companies in the Southern States, Major John D. Keilly Jr. of New York, being the chairman of the committee of arrangements. The Governors of eleven States, together with the United States Sena-

gates being named usually by General Master Workman Powthe Governor of the State, at the derly, of the Knights of Labor, says invitation of Major Keily. Besides that the special call for funds for the invitations so given, there have educational purposes is meeting been special invitations from with the almost unanimous approvthe promoters of the conven- al of the assemblies. He says disci the promoters of the conven-tion to prominent gentlemen of the different States, and among these it is understood, are representative to the laws of the Order. Where The Skyland Herald puts the clergymen and prelates. The purpose is to obtain a thoroughly representative local mental was of the General Master Workman, approaches the General Master Workman and prelates.
