COMPOUND OXYGEN

DRS. HARGAN & GATCHELL
OFFICE in Eagle Block, 62 Main St.
ASHEVILLE, N. C

Compound Oxygen inhaled, in connection with medicated Balsam Vapor, cures Consumption, Asthma, Bronchitis, Nasal Catarrh, Sore Throat, Loss of Voice, Diseases of the Liver and Kidneys, Bladder, and all diseases depending on impure or impoverished blood.

It cures Rheumatism when everything else fails.

ASHEVILLE, N. C., January 1888.

In justice to all similarly afflicted with ourselves as well as to Drs. Hargan & Gatchell, I voluntarily make the following statement:

My wife has suffered for several years with severe lung trouble, continuing to grow worse until last November when she was unable to sit up, but a part of each day.

No appetite, night sweats, severe cough and loss of flesh. The best physicians of Poultney, Vermont, advised an immediate departure South. We reached Asheville November 17th, and commenced taking treatment of Drs. Hargan and Gatchell, inhaling Compound Oxygen and Balsam Vapor. My wife has improved rapidly from the first. Her appetite is good, sleeps well, coughs but little, raises less, night sweats ceased, no pain anywhere, takes long walks and climbs the mountains with little fatigue and has gained 8 lbs. in weight. We feel certain another month's treatment will affect a permanent cure. As for myself I am delighted to state that I improved rapidly from the first treatment and am nearly well.

I have suffered for 38 years almost beyond endurance with the worst form of Piles.

I had abandoned all hope of relief. The Drs. treatment has been gentle and almost painless still has effected a cure for me.

Yours respectfully,
A. J. SMITH.

Mr. and Mrs. Smith are living in town and can verify and add to the above.

HOME TREATMENT,

We manufacture the Compound Oxygen, and ship it to all parts of the country, even to the Pacific Coast. We send apparatus and chemicals for two months for $12. This is as valuable at the office treatment.

The wonderful curative results obtained with this treatment is astonishing even to us.

If you wish to learn more of this treatment, and our success in the cure of Chronic Diseases, write or call for illustrated book explaining treatment free.

Grass Culture in Buncombe.

One of the hobbies of the CITIZEN has been to encourage the cultivation of grass and clover in Buncombe.

Our friend Capt. A. M. Alexander, of Alexanders, gave us a pleasant call yesterday, and also gave us some pleasing information upon the rapid increase of grass and clover culture in his section. He has two hundred and fifty acres in grasses, which he says is the finest he ever saw, much of it on the highest hills surrounding his place. He has just had cut from these hills over two tons to the acre. His neighbor Maj. F. R. Curtis has over one hundred and fifty acres in grass, all splendid, and a careful report by more than one hundred members of the Alexanders Farmers' Club, shows that over sixty per cent of all the cleared land in cultivation owned by them is in grass and clover. Capt. A. says he believes there is more grass raised within five miles of Alexanders than in any similar area in Buncombe or Western North Carolina. Of couse this increase of grass culture means increase and improvement of stock. The CITIZEN is gratified to get such reports, and we believe if a similarly careful report could be made for every section of Buncombe our own people would be surprised at the great increase in acreage in the county. It is certain that the sales of grass seeds in the county has increased enormously the past year or two. It is the most gratifying indication of our section.

A Healthy Growth.

Acker's Blood Elixir has gained a firm hold on the American people and is acknowledged to be superior to all other preparations. It is a positive cure for all Blood and Skin Diseases. The medical fraternity indorse and prescribe it. Guaranteed and sold by all druggists.

"Josh Whitcomb" To-Night.

The London Theatre Co, will present this most laughable comedy at Opera Hall to-night. "Josh Whitcomb" is one of the finest comedy-dramas ever written. See its presentation by the London Theatre Company. You'll not regret it.

An Eminent Optician.

Dr. S. Harmon, of St. Petersburg Russia, has arrived in the city, and taken apartments at the Grand Central. He comes bringing with him first-class certificates from patients all over America, attesting his skill as an optician and oculist.

Caught Lots of Fish.

Rev. R. G. Pearson and Dr. H. B. Weaver have returned to the city, after a week's fishing excursion on Cane river. The gentlemen had Big Tom Wilson along with them as guide, and report fine sport among the finny tribe. They caught a great number of trout, averaging from eight to fourteen inches in length.

An Injunction Case.

This morning at ten o'clock, his Honor Judge Merrimon, will hear at chambers, the injunction case from Jackson county, entitled "D. D. Davies vs. S. P. Shanks, et als, for the removal of timbers from certain lands lying and being in Jackson county." Solicitor Jas. M. Moody appears for the defendants, while the plaintiff is not represented by counsel.

The Bridge is Safe.

Mr. Chedester's iron bridge across Patton avenue, is safe and strong, all reports to the contrary notwithstanding. A careful examination and investigation shows that the bridge cannot possibly fall, even if the columns supporting it should break. Self-supporting cleats will also be placed on the bridge underneath in a few days, thus obviating every possible chance of breaking.

Mr. Will Aiken.

The above gentleman who has been foreman of the CITIZEN office for some months, left us yesterday to seek "new fields and pastures new" in Cincinnati. We parted with him with sincere regret. A more honest, faithful, employe we have never known, a conscientious, upright, useful man and citizen. We heartily commend him everywhere, and wish for him the full success in life his integrity and character merits.

The Cleveland Cavalcade.

Under the chaperonage of Mrs. J. M. Ray a very large cavalcade, consisting of Asheville's fairest belles and most gallant beaux, attired in the prescribed regulation democratic uniform, left the city on a "Cleveland ride" to "Oakland Inn," last evening at 6:30 o'clock. Arriving at Victoria's beautiful and aristocratic hostelry, the entire party were accorded a handsome reception by the proprietors of the "Inn." The evening was pleasantly spent, and the "Cleveland Ride" to "Oakland Inn," will be repeated, no doubt, many times during the season.

Grass Culture in Buncombe.

One of the hobbies of the CITIZEN has been to encourage the cultivation of grass and clover in Buncombe.

Our friend Capt. A. M. Alexander, of Alexanders, gave us a pleasant call yesterday, and also gave us some pleasing information upon the rapid increase of grass and clover culture in his section. A Child Killed.

Another child killed by the use of opiates given in the form of Soothing Syrup. Why mothers give their children such deadly poison is surprising when they can relieve the child of its peculiar troubles by using Acker's Baby Soother. It contains no Opium or Morphine. Sold by all druggists.

A Great Victory.

A great victory over the ravages of bowel trouble, was achieved when old Dr. Biggers gave his remedy. Dr. Biggers' Huckleberry Cordial to a suffering world. It is the great bowel panacea.

FOGG'S FERRY.

A Splendid Performance at Opera Hall Last Night.

Notwithstanding that the mass-meeting, the "Cleveland Ride" and the elements combined to prevent the attendance of many persons at opera hall last night, a fair audience witnessed a most excellent performance of the bright, sparkling drama, "Fogg's Ferry," by the London Theatre Co. From the rising of the curtain to the final going down thereof, the assembly was delighted with the performance and the performers. Miss Marion Fidler, as "Chip," scored a brilliant success in her acting and songs. She is one of the best soubrette actresses and most accomplished vocalists that has ever appeared at opera hall. She is simply [illegible] and her impersonation of "Chip" is without an equal. She is pretty, piquant, petite. Her voice is excellent, and her manners charming.

Mr. W. F. Kempshall, as "Daddy Fogg," was very fine, and the clever comedian won great applause. Kempshall bids fair to reach the top round in the ladder of comedy fame, and no character suits him better than that he assumed last night. Miss Lulu Delmo as "Blanche Norwood," and Mr. Van C. Barrett, as "Bruce Rawdon," were unexceptionally strong leading characters, and gave general satisfaction.

The entire support of the London Theatre Company is of superior talent, as was fully demonstrated last evening. The scenery is new and well-painted, and the entire combination is splendid. The opening night was not so good as it should have been, but we hope and expect to see a large crowd at opera hall to-night, to witness the presentation of "Josh Whitcomb," one of the most laughable comedies ever presented by this excellent company. Tickets are 35 and 50 cents, and are now on sale at H. L. Lang's jewelry store, on north Main street.

A Sad Affliction.

We regret to chronicle the death of the infant children of Mr. and Mrs. D. H. Webb. The death of these little ones is peculiarly touching. They were twins, and aged about 6 months. One of them died on Saturday night and the other Sunday evening, from cholera infantum. They were sick only a short while, and their lives were beyond the physician's skill to save. The interment took place yesterday afternoon, at Riverside cemetery.

Awaiting the Verdict.

Messrs. S. G. Bouis, of Washington, D. C., and Mr. F. Daniel, of Montgomery, Ala., are in the city prospecting, and will locate here if the sewerage election is carried to-day. If the election fails to be carried, they will seek some other city in which to invest their capital. What a lesson is here taught. They, and others, cannot afford to live in a dead town! Vote for sewerage for Asheville to day.

A Timely and Important Suggstion.

In behalf of mechanics and laboring men generally we appeal to employers to allow their employees a half-holiday, or at least a couple of hours during the day to go to the polls and vote in to day's all-important election—one involving the very life of Asheville.

Working men cannot well afford even for so important an election as this to lose a quarter or a half day. But men who employ others and who have large interests at stake can easily afford it; and ought not to hesitate to do it.

The Late J. M. Roseberry.

The death of this well known and extremely popular young gentleman occurred at the residence of his brother-in-law, Mr. George Feit, near Asheville Junction, on Sunday morning, at 8 o'clock. Dr. Roseberry fell a victim to consumption. He first came to this city from Philipsburg, N. J., on July 1st, 1886, and went into the drug business with Dr. J. S. Grant under the firm name of Grant & Roseberry. Later on Dr. Roseberry withdrew from the firm, and returned to his former home, where he remained until about three weeks ago when he returned to Asheville, seeking relief from his most terrible malady. Dr. Roseberry was about twenty-seven years of age, and unmarried. His remains were taken to Philipsburg yesterday where they will be interred in the family cemetery. Dr. Roseberry made many strong friends, who are deeply touched at his untimely demise.

A Noted Establishment.

The Asheville correspondent of the Knoxville *Tribune*, in a late letter says:

"It is no less remarkable than gratifying to note the number of pushing energetic wealthy men from the North who are engaged and engaging in business in this section. Just across the mountain, at Statesville, in an apt illustration. Some years ago Mr. Philip Barton Key of Maryland came to that place and established one of the largest exclusively wholesale whisky houses in the south. The firm Key & Co., the jobbers as well as distillers located as they are just at the foot hills of the Western Carolina mountain, they rescue from the small distillers their brandies that are made by the old time methods, which make such excellent products in the long ago. The modern steam processes do not make the best goods, but the old fashioned affair cooxes out the delicate and subtle flavor of the peach or the apple and stains it in the sparkling liquid to gladden the heart of man. The remarkable purity—and excellence of the mountain made spirits are characteristics well known and have given a reputation to Messrs Key & Co., all over the south."

Notice to Advertisers.

Parties frequently have advertisements inserted "till forbid," and allow them to remain longer than they suspect, and then object to paying for such insertions. Our space costs us money, and we must and will charge for its use. All parties may expect to pay full transient rates for all "till forbid" advertisements. We hope there will be no further misunderstandings upon this point. It is much more satisfactory all round, to fix length of time and agree to rate of charges in the beginning.

HE SOLD WHISKEY

Without License and is Now in Jail to Await Trial.

Amos Allison is the name of a darkey who has gotten himself into trouble and also in jail, and the facts connected with the case go to show that Allison has been violating the law on several occasions.

Allison was hauled up before his Honor yesterday morning to answer a charge of assault with a deadly weapon upon one William Baker, and during the investigation it leaked out that Allison had been engaged in retailing without license, on Sunday. He had on Sunday night purchased a gallon of cheap rye whiskey from W. O. Muller & Co., and after watering his stock as much as it could bear, sallied forth with his pockets bulging out with pint and half-pint bottles, filled with the villainous concoction. He ran upon Baker and sold him a pint of the fluid for the sum of thirty-five cents, and it was this transaction that brought about the assault, which Baker alleges to have been made upon him by Allison. Mr. Henry Hardwick represented Allison in court, and after a hard struggle with unwilling witnesses, Mayor Harkins finally succeeded in finding out that Allison was no new hand at the business. He therefore bound the defendant over to court in the sum of $100, which amount he could not furnish. In default of security for his personal appearance, he was committed to jail to await trial for violating section 649 of the city code. The fine in this case is fifty dollars to the city, and inasmuch as it is also a violation of the internal revenue law, Allison will probably have to stand trial in the United States court.

Within Our Gates

During the next three months, we estimate that there will be fifteen thousand people. This is estimating. Our present population at ten thousand, to which we add five thousand visiters that we expect to be here and at near by hotels and boarding houses. The question arises how are we to feed this multitude?

That is a very easy question to answer, provided you have the provisions on hand.

But suppose we should be visited this summer with a blizzard, such as they had in New York last winter, could we pull through?

Well we hardly ever have snow storms here at this season sure enough to stop the wheels of commerce, but you may not be surprised to see our prices go a great deal lower than the lowest point registered by the thermometer during the blizzard last winter.

Having foreseen the rush of visitors to W[illegible]arolina this summer, we have prepared ourselves accordingly, and are now busy receiving the finest and largest stock of

Staple and Fancy

GROCERIES,

EVER OFFERED IN N. C.

COFFEE.

The emancipation of twenty million slaves in South America has caused a very unsettled state of affairs among the Coffee Planters, and has the effect of advancing the price of coffee which seems likely to reach still higher figures.

Before the advance we were so fortunate as to secure a large lot of genuine Mocha, O. G. Java, fancy Guatemala Maracaibo and fancy Rio Coffees, both green and parched all of which we offer at New York prices.

Choice Rio Coffees are now held New York at 18 cents.
