My wife has suffered for several years with savers lung from the continuous for the continuous forms. My wife has suffered for several years with severe lung trouble, continuing to grow worse until last November when she was unable to sit up, but a part of each day.

No appetite, night sweats, severe cough and loss of flesh. The best physicians of Pouliney, Vermont, advised an immediate departure South. We reached Asheville November 17th, and sommenced taking treatment of Drs. Hargan and Gatchell, inhaling Compound Oxygen and Balsam Vapor. My wife has improved rapidly from the first. Her appetite is good, sleeps well, coughs but little, raises less, night sweats ceased; no pain anywhere, takes long walks and climbs coughs out intie, raises less, night sweam ceased; no pain anywhere, takes long walks and climbs the mountains with little fatigue and has gained 8 Bs. in weight. We feel certain another month's treatment will affect a permanent cure. As for myself I am delighted to state that I improved rapidly from the first treatment and am nearly

well.

I have suffered for 38 years almost beyo dendurance with the worst form of Piles.

I had abandoned all bope of relief. The Drs. reatment has been gente and almost painless still has effected a cure for me.

Within Our Gates

During the next three months, we estimate that there will be fifteen thousand people. This is estimating. Our present population at ten thousand, to which we add five thousand visitors that we expect to be here and at near by hotels and boarding houses. The question arises how are we to feed this multitude? That is a very easy question to answer,

provided you have the provisions on hand. And each "rad" played a part; It was the regular "old thing" that is But suppose we should be visited this summer with a blizzard, such as they played every year, since the start; And each one was quite scheming and had in New York last winter, could we pull through?

Well we hardly ever have snow storms here at this season sure enough to stop the wheels of commerce, but you nee not be surprised to see our prices go a great deal lower than the lowest point registered by the thorna While another republished, who then

COFFEE.

The emancipation of twenty million layes in South America has caused a very unsettled state of affairs among the Coffee Planters, and has the effect of advancing the price of coffee which seems likely to reach still higher figures.

Before the advance we were so fortunate as to secure a large lot of genuine Mocha, O. G. Java, fancy Guatemala Maracaibo and fancy Rio Coffees, both green and parched all of which we offer at New York prices. Choice Rio Coffees are now held
