A most interesting case came up on Wednesday. A crowd as great for disposal on Tuesday, and was as Marshall can hold will be there finally disposed of on Wednesday afternoon. The grand jury had found true bills against Jerome Ruff, Charles Price, Pinkney Kirkpatrick and Columbus Coward, all young men of Haywood county, for the murder of Gaither Reese, of Madison, some months since. Ruff was an officer of Haywood county, in whose hands had been placed a process for the arrest of Reese, charged, we believe, with misdes meanor. The attempt at serving that process was made in Spring

The others, apparently under the impression that the act of killing was done under warrant of law, remained in the vicinity until after investigation was held. They were then arrested, and have been theld in Buncombe county jail until transferred to Madison for trial.

Dear New:—About two months ago, on your recommendation, I bought a bottle of Cultoura Resolvent, one box flutteurs Salve, and one cake of Cuticura Soap, for my son, aged thisteen years, who has been afflicted with certain eczema for a long time, and I am pleased to say that I believe the remedies have curved bim. His sufferings were intense, his head being nearly raw, his ears beirg gone except the gright, and his body was covered with sores. His condition was frightful to behold. The streshave now sill disappeared, his skin is head to, cycs bright, cheerful in disposition, and is working overy day.
