In justice to all similarly sufficied with ourselves as well as to Drs. Hargan & Galchell, I voluntarily make the following statement:

My wife has suffered for several years with severe lung trouble continuing to grow worse until last November when she was unable to at up, but a part of each day.

No apporte, hight sweats, severe cough and loss of fleeh. The best physicians of Pouliney, Vermont, advised an immediate departure South. We reached Asheville November 17th, and commenced taking treatment of Drs. Hargan and Gatchell, inhaling Compound Oxygen and Balsam Vapor. My wife has improved rapidly from the first. Her appetite is good, sleeps well, coughs but little, raises less, night sweats ceased; at pain anywhere, takes long walks and climbs the mountains with little fatigue and has gained a Bas, in weight. We feel certain another month's weatment will affect a permanent cure. As for payelf I am delighted to state that I improved rapidly from the first treatment and am nearly well. Asheville, N.
