FRUIT IS GOOD.

A celebrated physician divides fruit into five classes, each possessing a special curative value—the acid, the sweet, the astrigent, the oily, and the mealy.

Cherries, strawberries, raspberries, goose berries, peaches, apples, lemons and oranges belong to the acid fruits and have great merit. Cherries, however, are prohibited other local applications. Catarrh is a quired to appear at the next term of the to those who have negralgia of the stomach; strawberries and raspberries are recommended to those of bilious temperaments and denied to those in whom diabetes is suspected.

Of the sweet fruits the doctor says plums prevent gout and articular rheu- nials from those who have been cured mur to the complaint in said action, or the matism. If you are "not quite well" or "half sick" have you ever thought that your kidneys may be the cause of your sickness?

It is easy to tell by setting aside your urine for twenty-four nours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urmate, scanty supply, pain or dul ache in the back is also convincing proof that the kidneys and bladder are out and they are dangerously wasted if con-
