IT IS EASY TO TELL.
People who fail to look after their health are like the carpenter who neglects to sharpen his tools. People are not apt to get anxious about their health soon enough. If you are "not quite well" or "half sick" have you ever thought that your kidneys may be the cause of your sickness?
It is easy to tell by setting aside your urine for twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate, scanty supply, pain or dull ache in the back is also convincing proof that the kidneys and bladder are out of order.
There is satisfaction in knowing that the great remedy Dr. Kilmer's Swamp-Root, fulfills every wish in relieving weak or diseased kidneys and all forms of bladder and urinary troubles. Not only does Swamp-Root give new life and activity to the kidneys—the cause of the trouble, but by treating the kidneys it acts as a tonic for the entire constitution. If you need a medicine take Swamp-Root—it cures. Sold by druggists, price fifty cents and one dollar, or by sending your address and the name of this paper to Dr. Kilmer & Co., Binghamton, N. Y., you may have a sample bottle of this great discovery sent to you free by mail.

TO CURE CATARRH
Do not depend upon snuffs, inhalants or other local applications. Catarrh is a constitutional disease, and can be successfully treated only by means of a constitutional remedy like Hood's Sarsaparilla, which thoroughly purifies the blood and removes the scrofulous taint which causes catarrh. The great number of testimonials from those who have been cured by Hood's Sarsaparilla prove the unequalled power of this medicine to conquer this disease. If troubled with Catarrh give Hood's Sarsaparilla a fair trial at once.
The craze for the bicycle has pervaded Japan and even the empress and her ladies spend a large portion of the day spinning about the roads in the royal gardens. The roads were made by the mikado's orders exclusively for the women. This pastime will doubtless lead to a reformation of the Japanese idea of personal beauty, as tiny and tightly swathed feet can not exist where cycling abounds. In St. Petersburg the devotees of cycling carry on their sport on the frozen rivers.
J. C. Berry, one of the best known citizens of Spencer, Mo., testifies that he cured himself of the worst kind of piles by using a few boxes of DeWitt's Witch Hazel Salve. He had been troubled with piles for over thirty years and has used many different kinds of so-called cures; but DeWitt's was the one that did the work and he will verify this statement if any one wishes to write him. If some newspaper jokes were printed on this paper the reader might see through them.
J. M. Thirsvend of Grosbeck, Tex., says that when he had a spell of indigestion, and feels head and sluggish, he takes two of DeWitt's Little Early Risers at night, and he is all right the next morning. Many thousands of others do the same thing. Do you? White G. Smith Drug company.
