IT IS EASY TO TELL.

People who fail to look after their health are like the carpenter who neglects to sharpen his tools. People are not apt to get anxious about their health soon enough. If you are "not quite well" or "half sick" have you ever thought that your kidneys may be the cause of your sickness?

It is easy to tell by setting aside your urine for twenty-four nours; a sediment or settling indicates an unhealthy condition of the kidneys. When urine stains linen it is evidence of kidney trouble. Too frequent desire to urinate, scanty supply, pain or dul ache in the back is also convincing

There is satisfaction in knowing that the great remedy Dr. Kilmer's Swamp-Root, fulfills every wish in relieving weak or diseased kidneys and all forms of bladder and urinary troubles. Not only does Swamp-Root give new life and activity to the kidneys-the cause of the trouble, but by treating the kidneys it acts as a tonic for the entire constitution. If you need a medicine take Swamp-Root-it cures. Sold by druggists, price fifty cents and one dollar, or by sending your address and the name of this paper to Dr. Kilmer & Co., Binghamton, N. Y., you may have a sample bottle of this great discovery sent to you free by mail.

TO CURE CATARRH

Do not depend upon snuffs, inhalants or other local applications. Catarrh is a constitutional disease, and can be successfully treated only by means of a constitutional remedy like Hood's Sarsaparilla. which thoroughly purifies the blood and removes the scrofulous taints which cause catarrh. The great number of testimonials from those who have been cured by Hood's Sarsaparilla prove the unequalled power of this medicine to conquer
