**A NOTED ATLANTA CASE.**  
 For four years I have been afflicted with a very troublesome nasal catarrh. So terrible has its nature been that when I blew my nose small pieces of bone would frequently come out of my mouth and nose. The discharge was copious and at times very offensive. My blood became so impure that my general health was greatly impaired, with poor appetite and worse digestion. Numerous medicines were used without relief, until I began the use of Botanic Blood Balm—B. B. B.—and three bottles acted almost like magic. Since its use, over a year, not a symptom has returned, and I feel in every way quite restored in health. I am an old citizen of Atlanta and refer to almost any one living on Butler street, and more particularly to Dr. L. M. Gilham, who knows my case.

 J. C. Berry, one of the best known citizens of Spencer, Mo., testifies that he cured himself of the worst kind of piles by using a few boxes of DeWitt's Witch Hazel Salve. He had been troubled with piles for over thirty years and has used many different kinds of so-called cures; but DeWitt's was the one that did the work and he will verify this statement if any one wishes to write him.
