ON THE RAIL.

Railway Men and Travelers Rely on Munyon.

A. M. Barnum, Chronicle Building, San Francisco, Pacific Coast Agent of the Queen and Crescent Route, and formerly a prominent business man of Buffalo, N. Y., says: "Munyon's Rheumatism Cure cured me and also several of my friends to whom I gave some of that great remedy. Before your agency was established on the coast I was compelled to send East for supplies of your remedies, and have always kept them on hand for the benefit of myself and friends. I carry a pocket case in my valise when traveling in case any of my chance acquaintances should need assistance. I have frequently given away some of the remedies to people in distress. I have great faith in Munyon's remedies. Rheumatism is known as the stubbornest of diseases. It will not succumb to any kind of medicine except the right kind. Munyon has the right kind, and cures ninety-six per cent. of all cases submitted to his treatment. Munyon's Rheumatism Cure is guaranteed to be absolutely harmless and a strong tonic in building up the weak and debilitated. Prof. Munyon puts up a separate cure for each disease. At all druggists, mostly 25 cents a vial. Personal letters to Prof. Munyon, 1506 Arch Street, Philadelphia, Pa., answered with free medical advice for any disease."

ORIGIN OF "JACK ROBINSON."

Who knows how the phrase as "quick as you can say Jack Robinson" originated? But in an old book we learn that a certain Indian chief was so swift of foot: "He could take and fire an arrow. Run right after, go right after. Stop right short off and say distinctly 'Always Jack' and sometimes 'Robinson' ere the lazy arrow got there."

Mrs. M. B. Ford, Riddell's, Ill., suffered for eight years from dyspepsia and chronic constipation, and was finally cured by using DeWitt's Little Early Risers, the famous little pills for all stomach and liver troubles.—C. A. Raynor.

During the past two years Mrs. J. W. Alexander, wife of the editor of the Waynesboro (Miss.) Times, has in a great many instances, relieved her baby when in the first stages of croup, by giving it Chamberlain's Cough Remedy. She looks upon this remedy as a household necessity and believes that no better medicine has ever been put in bottles. There are many thousands of mothers in this broad land who are of the same opinion. It is the only remedy that can always be depended upon as a preventive and cure for croup. The 25 and 50 cent bottles are for sale by Dr. T. C. Smith.

PUNGENT PARAGRAPHS.

"What makes you think they are so madly in love?" "He has been three weeks trying to teach her to play whist."

"Yes," said the old man, "I have always found it best to pay cash. I have paid cash for everything I've got but my wife. I got her for nothing, and she's the dearest thing I ever got."

"I wonder," mused the family cat, after carefully inspecting the new mouse trap, "if that is a labor-saving device for my benefit, or if I'm in danger of losing my situation?"—Credit Lost.

"What a beautiful new gown Jane has on. Did she bring it from abroad?" "No; it's her last season's dress. The dressmaker turned it inside out, and she says she's brought it from the States."

CURED OF BLOOD POISON AFTER FIFTY-TWO DOCTORS FAILED.

Blood Balm Co., Atlanta Ga. Gentlemen.—In 1872 a small pimple broke out on my leg. It began eating and in four months I was treated by a physician of Talladega county, Ala., where I lived eighteen years. He relieved it for a short while. In six weeks it broke out again in both legs, also on my shoulder. Two small bones were taken out. It continued until 1878. In this time I had tried different physicians. They told me the only remedy was amputation; that it could never be cured. For six months I could not walk a step. I went to Mineral Wells, Texas, spent \$300.00, came home, went to Hot Springs, Ark., stayed nine months, all failed to cure me. In 1887 I came back to Birmingham, Ala. I was advised to write you, which I did. You wrote me that B. B. E. would cure me, and I could get the medicine from Nabors & Morrow, druggists, of our city. I bought ten bottles and before I had finished my fifth bottle my legs began to heal, and in less than two months I was sound and well. That has been nearly two years ago and no sign of its return yet. I have spent in cash over \$400.00, and B. B. E. done the work that all the rest failed to do. You have my permission to publish this. I have traveled so much trying to get well that my cure is well known. Fifty-two doctors have treated me in the last seventeen years. All they did was to take what money I had, and done me no good. I am now a well man.—PROF. C. H. RANGER. For sale at Pelham's Pharmacy, Asheville, N. C. Price 75 cents per large bottle.

NOT ALWAYS UNDERSTOOD.

A fact often overlooked, or not always understood, is that women suffer as much from distressing kidney and bladder troubles as the men. The womb is situated back of and very close to the bladder, and for that reason any distress, disease or inconvenience manifested in the kidney, back bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be easily avoided by setting urine aside for twenty-four hours; a sediment or settling is evidence that your kidneys and bladder need doctoring. If you have pain or dull aching in the back, pass water too frequently, or scanty supply, with burning or burning—these are also convincing proofs of kidney trouble. If you have doctoring without benefit, try Dr. Kilmer's Swamp-Root, the great kidney remedy. The mild and extraordinary effect will surprise you. It stands the highest for its purity, or saves you the cost of a medicine you should take the case. At druggists, fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention the Gazette and send your address to Dr. Kilmer & Co., Sing-Sington, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Sheppard, dated the 1st day of May 1896, and registered on the 3rd day of May 1896, on pages 20 et seq., of book No. 41 of mortgages and deeds of trust, in the office of the Register of deeds of Buncombe county, North Carolina, default having been made in the payment of the moneys secured by said deed of trust, as well as in other provisions contained in said deed of trust, upon the application of the persons entitled to the moneys secured to be paid by said deed of trust, the undersigned will sell for cash at public outcry, at the court house door in the City of Asheville, County of Buncombe and State of North Carolina, to the highest bidder, on Saturday the 12th day of February A. D. 1898, the property conveyed in said deed of trust, and which is described therein as follows: "All those certain pieces, parcels and tracts of land lying and being in the county aforesaid, in French Broad Township, on the east side of the French Broad River, and being designated as lots No. eight (8), nine (9), and ten (10), on the east side of the river in the survey of the lands of the late A.
