Thin Blood

Where the blood loses its intense red—grows thin and watery, as in anemia, there is a constant feeling of exhaustion, a lack of energy—vitality and the spirits depressed.

Scott's Emulsion

of Cod-liver Oil with Hypophosphites of Lime and Soda is peculiarly adapted to correct this condition. The cod-liver oil, emulsified to an exquisite fineness, enters the blood direct and feeds its every corpuscle, restoring the natural color and giving vitality to the whole system. The hypophosphites reach the brain and nerve centres and add their strengthening and beneficial effect. If the roses have left your cheeks, if you are growing thin and exhausted from over-work, or if age is beginning to tell, use SCOTT'S Emulsion.

Be sure you get SCOTT'S Emulsion. All druggists, 50c and \$1.00. SCOTT & BOWNE, Chemists, New York.

The warmer weather which will come with the approaching spring months should find you strong and in robust health, your blood pure and your appetite good. Otherwise you will be liable to various ailments. Purify your blood with Hood's Sarsaparilla and thus "prepare for spring." This medicine makes rich, red blood and gives vigor and vitality. It will guard you against danger from the changes which will soon take place.

Please buy and try a box of C. C. Candy, 10, 25, 50 cents. Sold and guaranteed to cure by all druggists. —Pelham's Pharmacy.

The bookkeeper may not have been born to rule, but he does it just the same.

Mr. F. C. Helbig, a prominent druggist of Lynchburg, Va., says: "One of our citizens was cured of rheumatism of two years' standing, by one bottle of Chamberlain's Pain Balm. This liniment is famous for its cures of rheumatism; thousands have been delighted with the prompt relief which it affords. For sale by Dr. T. C. Smith."

The only charms some young men possess are attached to their waco chains.

Some men are born great, some achieve greatness and others become humorists.

It is easy to catch a cold and just as easy to get rid of it if you commence early to use One Minute Cough Cure. It cures coughs, colds, bronchitis, pneumonia and all throat and lung troubles. It is pleasant to take, safe to use and sure to cure.—C. A. RAYSOR.

The man who goes to church because he has nothing else to do is an idle worshiper. Mrs. Stark, Pleasant Ridge, O., says: "After two doctors gave up my boy to die, I saved him from croup by using One Minute Cough Cure." It is the quickest and most certain remedy for coughs, colds and all throat and lung troubles.—C. A. RAYSOR.

The man in the basement can always undersell the competitor on the floor, above.

BLADDER TROUBLES.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

SAMPLE SENT FREE. Unhealthy urine from unhealthily kidneys is the chief cause of bladder troubles. It is comforting to know that Dr. Kilmer's Swamp-Root fulfills every wish in quickly curing bladder and urinary troubles. It corrects impurities, inability to hold urine and scalding or stinging pain in passing it, or bad effects following use of liquor, wine or beer, and evens out that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention the Asheville Gazette and send your address to Dr. R. H. Smith & Co., Birmingham, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Prosperity comes luckiest to the man whose liver is in good condition. DeWitt's Little Early Risers are famous little pills for constipation, biliousness, indigestion and all stomach and liver troubles.—C. A. RAYSOR.

Some men spend half their time transcribing promises and the other half in making excuses.

AMONG THE WHEELMEN.

Eleven of the leading bicycle factories will turn out chainless wheels for 1898.

Australia will send a representative to the international championships of 1898, at Vienna.

Michael, the little cycling wonder, rides a bicycle with a 26-inch front wheel and 28-inch rear wheel.

The bicycle baggage question was settled in France, simply by the minister of public works issuing an order to the railroad companies, directing them to remove from their schedules and rates all mention of bicycles.

Some silly fellow, or else he is a joker, asserts that bicycle riders should always eat tomatoes after an exhausting ride. A small piece, he says, acts like magic, taking away the tired feeling almost instantly. Nonsense! Millions of people eat tomatoes habitually, and no one has yet discovered any magical effect therefrom.

No bicycling outfit is complete without the ammonia "squirt," which effectually disposes of the aggressive canine followers on the road, driving the dogs off without serious injury. Some German cyclists carry bicycle bombs, small but extremely noisy explosives, which exercise a magical effect upon the troublesome curs.

An eminent Italian physician, curious to observe the effect of fatigue on cyclists, recently examined 24 men who had ridden 32 miles in two hours and a quarter, and found that, with reference to the hearing, in nearly every case it was defective, though it became normal again after two or three hours' rest.

ABOUT BEING GRACEFUL.

Trifles continually give us away. The things we do with intention we may do well, but the involuntary acts betray our limitations. A perfectly graceful woman is graceful in every move—in the poise of her head, in her walk, the way she sits and uses her hands.

As to sitting, some women fall into their chairs, like badly jointed and springless dolls. A sensitive, graceful woman sits gently, unbending with a smooth motion until she has settled safely. She can also get up from her chair and reach the door without indulging in any of the jerky and awkward mistakes some women make.

If there is a turn in the walk stop with all the weight on the foot in advance, resting only the toe of the rear foot on the ground, then turn smoothly around by transferring the weight to the other foot, making the turn entirely upon the balls of the feet, with the heels scarcely touching the floor. This turn is rarely seen practiced, yet it is very easy and a few minutes' work at it will render one expert.

In getting up from a chair 99 women out of 100 shift their weight from one foot to the other and rise with the weight on the wrong foot. The proper way is to rest the weight on one foot while sitting, holding the other lightly on the floor. Then press down hard on the foot which already bears the weight and rise, standing for an instant on the same foot to get the balance before starting off freely and lightly.

THE DISCOVERY OF THE DAY.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Campbell, merchant of Safford, Ark., writes: "Dr. King's New Discovery is all that is claimed for it; it never fails, and is a sure cure for Consumption, Coughs and Colds. I cannot say enough for its merits." Dr. King's New Discovery for Consumption, Coughs and Colds is not an experiment. It has been tried for a quarter of a century, and today stands at the head. It never disappoints. Free trial bottles at T. C. Smith's drug store and Pelham's Pharmacy.

It seems paradoxical that there isn't a single person in a room full of married folks.

RHEUMATISM CURED IN A DAY.

"Mystic Cure" for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. The first dose greatly benefits. 75 cents. Sold by C. A. RAYSOR, Druggist, Asheville.

A Kentuckian says the luckiest man he ever knew was drowned in a vat of whiskey.

J. A. Perkins of Antiquity, O., was for thirty years needlessly tortured by physicians for the cure of eczema. He was quickly cured by using DeWitt's Witch Hazel Salve, the famous healing salve for piles and skin diseases.—C. A. RAYSOR.

There'll probably be no one in heaven that is better than the average man thinks he is.

Miss Allie Hughes, Norfolk, Va., was frightfully burned on the face and neck. Pain was instantly relieved by DeWitt's Witch Hazel Salve, which healed the injury without leaving a scar. It is the famous pile remedy.—C. A. RAYSOR.
