Gent's Fine Clothing

There has been no such cut on gent's clothing as we are now making. All who have examined our stock say they had no idea such qualities and prices were carried in any house in the state. We can save you **50 per cent.** on the price of every suit you buy and give you finer goods than any other house in the city carries.

Dress Goods

See our New Dress Goods before you buy. We have new spring styles received within the last few days. We are selling our winter dress goods for cost and less than cost. Come see.

Corsets

We carry a dozen different styles of Corsets in white, black and drab. Have a good corset at 35c and can show you the very best styles in long and short lengths.

Shoes

Those who have seen our Shoes say they want no better bargains than we are giving them in ladies', gents, and children's shoes. Why do you pay two prices for shoes when we sell them so very low?

Capes and Jackets

The winter is not yet over "And don't you forget it" "Two swallows do not make a summer" Now is the time to buy capes and jackets at about one-half former price.

TABLE ETIQUETTE.

Biscuits should be opened with the fingers. In extreme cases an ax is admissible. Never pick your teeth at the table. You will find a better assortment at the dentist's. Don't rattle your knife and fork. The napkin ring will be found much more musical. Always eat soup from the side of your spoon. The inside is considered the proper one. Game should never be taken in the fingers—unless of course it is a card game. Do not rest your arms on the table. Stack all your weapons in a corner before dinner. Never leave the table until the others are through. If in a hurry take it with you. Never eat pie with a knife. It's all right to eat cheese with pie, but knives should be eaten alone. Cigarette smoking is permissible at the table—if you are dining alone and have a grudge against yourself. Don't ask your hostess if she lets the sugar bowl with the butter balls. She might mistake you for a humorist or a fanatic.—Chicago News.
