Yesterday's Fluctuations on the Exchanges.

**A Day for the Bulls in Stocks and Cotton.**

Quotations of the New York Money Market—Chicago Grain and Live Stock—Country Produce.

New York, March 28.—Today's trading in cotton was in the nature of a scare among the shorts and prices had a sharp bull movement. The news from Washington very unexpectedly was of the most favorable tenor. The transmission of the Maine report to congress passed off without any disturbing features, and a compromise agreement between Spain and this country looking to a postponement of trouble for the present and indicating a peaceful solution of the problem, is said to have been made. As all the panics among the bears in the stock market gave the bulls in cotton great encouragement, the shorts covered eagerly. There was nothing in the early trading to indicate advance. Liverpool was unchanged, and the opening here was 2 or 3 points lower, August selling on the first call at 5.90. Simultaneous with the boom in stocks prices began to stiffen and when the compromise was reported they bounded upward. August advanced rapidly to 6.05, then eased on realizing sales to 6 cents and closed at 6.02 to 6.03, with the tone of the market steady. Should the political troubles really prove ended short covering may cause a further advance, but we see little in the general situation to warrant buying.
