CLAIM DENIED.

Morganton, April 7.-The superior court has handed down a decree in the case of ders, D.D., has been elected moderator, Electric der S. B. Pride, temporary clerk, and D. B. Young assistant. Light and Power Company, denying the claim of the General Electric Company, of New York, to a lien on the plant superior to the mortgage bonds for dynamos sold the company, declaring a number of small claims aggregating about \$300, superior Hene to the bonds and appointing Measus. F. H. Busbee, of Raleigh, and W. C. Erthe plant and pay off these liens, the mort-gage bonds and the costs. The General Electric Company appealed to the supreme court from that point of the judgment de-tlaring that its claim for dynamos sold the company was inferior to the lien of the mortgage bonds. This, however, will not affect the eale of the plant, which will be made some time after May 15, unless the indebtedness of the company is sooner ar-

### HOWARD DECISION AFFIRMED.

Raleigh, 'April 7.-The supreme court has affirmed the decision of Judge McIver in the case of Howard vs. Railroad, from Rowen county, where it was held that the railroad could not carry a damage suit to the United States Supreme court. The administrator of Howard, who was killed in a rullroad wreck near Old Fort, got a verdict for \$5,000 damages against the Western North Carolina road, Afterwards the plaintiff decided to bring suit against the Southern. An effort was then made to carmy the case to the United States court. This is denied. The decision in the Howard case applies likewise to the James case, James was killed at the same time, and his administrator got a verdict for \$15,000. Judge Avery, who represents the plaintiffs, says both damage suits will now be entered against the Southern.

Nearly 1,100 men are at work on the Newark, but instead of being completed by April 15, it is now believed that the work will not be finished before about May 1. The work of erecting a torpedo plant has begun at the Norfolk navy yard, and will be rushed. Here torpedoes will be made for use in harbor defence. The pump house in the dry dock has been utilized and the great dock pump will supply the compressed air for packing the tubes.

### A STARTLING INCIDENT.

A startling incident, of which Mr. John Ofiver of Philadelphia, was the subject, is nerrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite gradually growing weaker day by day. Three physicians had given me up. rtunately a friend advised trying Electric Bitters, and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try Only 50 cts per bottle at T. C.
