Mucksters at Camp Attempt to Raise Prices But are Sat On.

Now Said That 61 More Men are Need ed to Complete the Second-Death of a Son of Henry W. Miller.

Raleigh, July 2.—It was stated a few days ago that only twenty-five more men were needed to bring the Second regiment up to its required strength of 1350. Now it is said that sixty-one more are needed. Why such conflicting reports are given out it is hard to say.

The council of administration met yesterday and recommended prices that hucksters at the camp should charge for certain articles—as soon af the men were paid off, the other day these hucksters advanced the price of different things.

Several cases of desertion were tried by court martial at Camp Russell yesterday.

There was a fine inspection drill yes terday at Camp Russell instead of dress parade.

It is learned today that Henry M. Miller died at Norfolk, Va., yesterday He was born in Raleigh, and was th oldest son o fthe late Henry W. Miller one of the most gifted men at the Nort Carolina bar.

Judge Purnell says that under section 602 of the revised statutes he will be called upon to appoint all the referees in bankruptcy in this state. This of course, being upon the selief that Ewart will not be appointed judge of the western district.

J. M. Bishop, who shot and mortally wounded Melvin Earwood on the edge of this county last Tuesday, voluntarily surrendered yesterday to deputy sheriff Rhoades of Henderson county and was brought to Asheville and lodged in jail He was visited in jail by a Gazette reporter to whom he gave an account of the unfortunate occurrence. Bishop claims that he was in no wise responsible. He claims that he did not precipitate the fight and that all he did was to defend himself. Bishop says that in view of the critical condition of Earwood, he will not now apply for a writ of habeas corpus. Late last night Earwood was reported to be dying.

THE TELEPHONE MATTER.

To Telephone Subscribers: In asking the co-operation of the cit-izens of Asheville in securing reasona-ble rates we have assured them that the board would enter into a contract with no company except for a term of years, in order to avoid a recurrence of this fight it has been forced to make. Therefore we caution our citizens against entering into a contract with any company other than the one indorsed by the board, for it is working solely for a permanent good to all. One point we wish to call to the attention of the residence subscribers is that all the business houses here have agreed and bound themselevs to support and subscribe to the telephone sys-tem endorsed by the board and allow none other in their house. Therefore any other company cannot furnish the sident with the connection they want, I. e., business houses, Yours respect-

The Kidneys and Blood

If you want to be well, see to it that your Kidneys and Blood are in a healthy condition. It is an easy matter to learn what state your Kidneys are in. Place some of your urine in a bottle or tumbler, and leave it stand one day and night. A sediment at the bottom shows that you have a dangerous Kidney National Banks of the disease. Pains in the small of the back indicate the same thing. So does a desire to pass water often, particularly at night, and a scalding pain in urinating is still another certain sign.

Dr. David Kennedy's Favorite Remedy is what you need. It will cure you surely if you do not delay too long in taking it. Kidney diseases are dangerous, and should not be neglected a single moment. Read what P. H. Kipp, of Union, N. Y., a prom-

inent member of the G. A. R., says:-"I was troubled with my Kidneys and Urinary Organs and suffered great annoyance day and night, but since using Dr. David Kennedy's Favorite Remedy I have greatly improved, and that dreadful burning sensation has entirely gone. I had on my lip what was called a pipe cancer, which spread 'most across my lip, and was exceeding

painful; now that is almost well. I also had severe heart trouble, so that it was difficult to work; that is a great deal better. I have gained nine pounds since I commenced taking the Favorite Remedy; am greatly benefited in every way, and cannot praise it too much."

Favorite Remedy is a specific for Kidney, Liver and Urinary troubles. In Rheumatism, Neuralgia, Dyspepsia, and Skin and Blood Diseases, it has never failed where the directions were followed. It is also a specific for the troubles peculiar to females. All druggists sell it at \$1.00 a bottle.

The Boilie Free! It you will selld your full posterior, to the Dr. David Kennedy Corporation, Rondout, N. Y., and mention this paper, we will forward you, prepaid, a free sample bottle of the Favorite Remedy, together with full directions for its use.
