FOURTH SUNDAY AFTER TRINITY

During the summer of 1891, Mr. Chas. P. Johnson, a well known attorney of Louisville, Ky., had a very severe attack of summer complaint. Quite a number of different remedies were tried but failed to afford any relief. A friend who knew what was needed procured him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which quickly cured him and he thinks, saved his life. He says that there has not been a day since that time that he has not had this remedy in his household. He speaks of it in the highest praise and takes much pleasure in recommending it whenever an opportunity is offered. For sale by T. C. Smith.

A NARROW ESCAPE.

Thankful words written by Mrs. Ada E. Hart, of Gaston, S. C. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four Doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman." Trial bottle free at T. C. Smith's Drug Store and Pelham's Pharmacy. Regular size 50c and \$1.00. Guaranteed or price refunded.
