A large number of Greensboro's most progressive, business men attended a meeting Tuesday night to draw up a petition for the repeal of the purchase tax law.

Mr. John M. Bernhardt is establishing a lumber yard at Aldman, N. C. Now, of course, our readers want to know where Aldman is. Well, it is on the Murphy branch of the Southern Ry., about 100 miles west of Asheville. We wish Mr. Bernhardt success in his new enterprise.—Lenoir News.

The colored porter of the hotel at Elkin, a few days ago, insulted some white girls whom he met on the sidewalk. Wednesday night a party of the white boys from the mill caught him and administered a genuine old time dose of hickory withs and admonished him to move. He left.—Winston Sentinel.

In the course of a trial before Justice W. E. Powe, a few days ago, it was developed that there was a gold mining company operating in this county, with its head office in Syracuse, N. Y., that it is capitalized at \$1,250,000. A Charlotte man is said to be the owner of 40,000 shares of the stock.—Morganton correspondent Charlotte Observer.

Norwood, N. C., dispatch: A special train brought to New London yesterday a party of northern capitalists, who are to investigate the possibilities of the water power of the falls and the narrows of the Yadkin. It is proposed to use this power to generate electricity and to transmit this to Norwood, Albemarle, Salisbury, and Concord for motive power of factories and for fighting, street cars, etc. It is said that a company has been organized with a capital of \$3,000,000 for this purpose.

For several days the Neuse and Little rivers have been quite full, plenty of water for big boats to run. By the way, some people think that a properly conducted steamboat could run the year round from Goldsboro to New Bern. An experienced boat man contends that there is no doubt about it. If that could be done it would mean great things for Goldsboro. It would give us a water freight rate, and Goldsboro would become the wholesale center for the surrounding towns.—Goldsboro Argus.

William Bowers, who last Tuesday took an overdose of laudanum with suicidal intent, died at his home Sunday, despite the most heroic efforts, both by his attending physicians, Drs. Summers and Jewett, and a number of friends. It is said that the immediate cause of his death was due to the suppressed action of his kidneys, resulting in uric acid poison. There was some comment this morning about bruises upon his body, which had been inflicted by some zealous friends in their efforts to awaken him, but we were assured this morning by one of his attending physicians that his death was due to the cause already stated.—Winston Journal.

There is great dissatisfaction among the employes of the Southern railroad and trouble is brewing in all the departments. The walkout of more than one hundred men at the Southern shops Thursday is said to be but the beginning. The yard conductors and switchmen have a grievance before the Washington officials of the road, and their petition for more wages has not been granted. The engineers of the Southern have a committee now in Washington.

INSOMNIA

"I have been using CASCARETS for insomnia, with which I have been afflicted for over twenty years, and I can say that Cascares have given me more relief than any other remedy I have ever tried. I shall certainly recommend them to my friends as being all they are represented."
