Poisoned Condition of the Bloop CURED BY

Botanic Blood Balm

(B. B. B.)

THE CREAT BLOOD REMEDY. Catarrh is due to an impure condition of the blood and is one of the innumerous offsprings of blood poison. It may have come from a long way back in the family history, but the general opinion among medical men, is that catarrh is the offshoot of poisoned blood, pro-ducing had breath and the above named symptons. The fact is admitted by all that it is only curable by constitutional treatment. Bottanic Blood Balm (B. B. B.) has scored some brilliant victories in the cure of this loathsome malady, and why? Because B. B. B when taken as directed mixes with the poisons in the blood which produe catarrh, so as to cause the poison to be expelled from the blood through the sweat glands and excretory organs. R. R. Saulter, Athens. Ga., wrote us not long ago what he was surprised to observe how agreeable his breath had become since using only three bottles of B B. B. He was also able to hear better. Mrs. Lulu Banks, of Alabama, wrote us that a friend of hers since using six bottles of B. B. that the mucus discharges which she had through the mouth and nose had stopped and that she was able to breathe freely and talk without offending any one with her bad breath. A

Discharge Copious and Offensive " Entirely Cured by B. B. B.

remarkable case is that of Mrs. Eliza-beth Knott, of Atlanta, which we print

"For four years I have been afflicted with a very troublesome nasal catarrh. So terrible has its nature been that when I blew my nose small pieces of bone would frequently come out of my mouth and nose. The discharge was opious, and at times very offensive. My blood became so impure that my general health was greatly impaired with poor appetite, and bad digestion Numerous medicines were used without relief, until I began the use of Botanic Blood Balm-B. B. B.-and three bo tles acted almost like magic. Since its use, over a year ago, not a symptom has returned and I feel in every way quite restored in health I am an old citizen of Atlanta, and refer to almost any one living on Butler street."
MRS. ELIZABETH KNOTT.

Atlanta, Ga. The Deaf Hear.

That sounds miraculous, and yet one may become temporarily deaf on account of catarrhal blood poisoning settling in the ear and then find quick relief by using B. B. B., Botanic Blood Balm John W. Weeks, Decatur, Ga., writes:

"Six months ago I had a pain in my ear, and in a few days it discharged matter. Then I grew deaf and could not hear at all. I began the use of Botanic Blood Balm-B. B. B.- and the running of my ear soon ceased, and I now hear while my health is much improved, and I feel full of gratitude to God and the proprietors of so good a remedy."

As a blood purifier B. B. B.—Botanic Blood Balm—has no equal One bottle of it contains more curative virtues than a gallon of the many so called blood purifiers. Buy the original and be on the safe side. Beware of substitutes and insist on having the old reliable B. B. B. Then you are sure of a cure.

Botanic Blood Balm (B. B. B.) is a scientific vegetable compound used by Dr Gillam in his private practice for blood diseases, such as old sores, scrofula, boils, blood poison, catarrh, etc. It cured so many people that it was put on the market and is for sale by all druggists at \$1 per large bottle. It has always enjoyed a large sale because it
