# Welcome News

Any information that tells how sickness and disease can be overcome is the most welcome news a paper can print. Although this is an advertisement, it contains facts of more vital importance than anything else in this newspaper. It tells of a medicine known for over thirty

years as Dr. David Kennedy's Favorite Remedy. It is a medicine that purifies the Blood, and restores the Kidneys, Bladder and Urinary Organs to vigor and strength. Its principal ingredient is not alcohol. It does not ruin men's and women's lives by causing intoxication and fostering the appetite for strong drink.

Favorite Remedy cools and purifies the blood. It is not like the many "bitters," "compounds " and "tonics," now so widely sold, which heat and inflame the blood, doing more injury than good.

Favorite Remedy cures troubles of women fust as certainly as it cures troubles of men. It restores the Liver to a healthy condition, and cures the worst cases of Constipation. It cures Scrofula, Salt Rheum, Rheumatism, Dyspepsia, all Kidney, Bladder and Urinary Diseases. Gravel. Diabetes and Bright's Disease.

"My complaint was Stone in the Bladder. Physicians said my case was hopeless, but Dr. Kennedy's Favorite Remedy cured me."-D. H. HOAG, Lebanon Springs, N. Y.

Sold in all drug stores for \$1.00 a bottle. One teaspoonful is a dose, and you will experience relief long before first bottle is taken.

"Well, I want to call all nature to witness, you see. But your papa begs leave to differ with me. He says I shall never marry you-that he will never give his consent."

"But I've given mine." "We can't marry at home."

"And he would keep his word if he said it." "Then, what are we to do?"

"Oh, please."

"Well, there," and she kissed her finger tips, threw them toward him and fled.

The night was quite dark, but his eyes vaguely outlined a figure outside. "Who's out there? What is wanted?" he called.

"You are wanted," came back in mysterious tones. "Who are you?" "Raise the window and see."

- "It's too dark to see."

- "I fear it's a burglar."
- "The burglar doesn't want much." "What does the burglar want?" "Only you."

# Botaric Blood Balm (B.B.B.) STHE CREAT&BLCCD REMEDY.

Catarrh is due to an impure condition of the blood and is one of the innumerous offsprings of blood poison. It may have come from a long way back in the family history, but the general opinion among medical men, is that catarrh is the offshoot of poisoned blood, producing bad breath and the above named symptons. The fact is admitted by all that it is only curable by constitutional treatment. Botanic Blood Balm (B. B. B.) has scored some brilliant victories in the cure of this loathsome malady, and why? Because B. B. B. when taken as directed mixes with the poisons in the blood which produe catarrh, so as to cause the poison to be expelled from the blood through the sweat glands and excretory organs. R. R. Saulter, Athens, Ga., wrote us not long ago that he was surprised to observe how agreeable his breath had become since using only three bottles of B B. B. He was also able to hear better.
