ras mustered into service May

Judge Shepherd will not assume en tire charge of the law school at the uni versity until the coming summer. The acceptance of this position will proba bly mean his entire withdrawal from practice, says the News and Obestver, as he will be in Chapel Hill eleven months of the yar.

Calton Brothers have purchased five hundred acres of timber land from the Speculation Land company on Knob and Cove creeks, and will erect lumber and shingle mills. An immense amount of fine timber is found in that section, and when put on the market will add to Rutherford's revenue.-Western Vindi-

The queerest act of the legislature is the one making it a misdemeanor to kill a fox in Alleghany county for itwo years. It is the first act of the kind ever passed in the state. Another act for an eastern county forbids hunting save by permission of landowners, fox hunters with not less than three hounds being excepted.-Wilmington Messen

Reports from the mines are rife that Captain Joe C. Mills, of Brindletown, has made a big nd in the log, and is getting out gold by the shovelful, says the Webster Vindicator. A very rich deposit, surpassing anything ever found was reported last week, and we hope it is all true and will hold good for a long and abundant harvest for Captain

A number of the beautiful Moncolian pheasants will be turned loose this month in this county, at several points, says the Ralleigh Post. They are pro itected by a special act of the legislat ure. It is hoped what they will whrive and multiply as they have done in Washington and Oregon. Later these birds will be sent to other sections of

The first democratic primary at Wil mington under the new city charter was held Monday. It was, without doubt, the warmest local campaign that has been waged in the city. The revolutionary mayor, Colonel A. M. Waddell, was nominated by a safe ma jority, as was also the present chief of police, E. G. Parmele. The White La bor union, which led the opposition to the present administration, was defeat ed on every side, every candidate en dorsed by them, even for city council, being turned down.

The schooner Annie E. Reynolds, from Plymouth for Alexandria, Va., was wrecked near Point Lookout, on Chesapeake bay, during Tuesday night's storm, and Captain B. L. Hill and a crew of six men are said to be lost. The schooner was loaded with lumber. A trunk belonging to one of the crew and a piece of timber on which a sailor had written the supposed fate that awaited the vessel was washed ashore.

A few days ago at the Atlantic Coast Line wharves a freight car loaded with 118 bales of hay was backed off the wharf into the river and went to the bottom in twenty one feet of water. The services of an expert diver were brought into requisition and yesterday he dove down into the cold waters of the Cape Fear river and locked cables and chains around the car and trucks and succeeded in raising them to the wharf again by means of a steam hoister. This was quite a feat for the diver and he is highly commended by the railroad people for his successful work.-Wilmington Messenger.

The total number of bills on the house calendar during the last session of the legislature was 2,071, including resolutions. The senate calendar had 1,599, making a grand total of bills and resolutions announced by the two read ing clerks of both houses of 3,670. lowing for the number of bills duced in the senate as a basis and add ing the number introduced in the senate that were tabled or reported unfavora bly the total number of different bills on all subjects put into the new law mill must have amounted to in the neighborhood of 3,000 bills. This averages about seventeen bills to each senator and representative of the 170 in the two

CASCARETS. This I am sure has caused my oad health for the past three years. I am still taking Cascarets, the only cathartic worthy of notice by sensible people."
