## FILIPINOS RETURNING

### The Country Between Calooan and Malolos Dotted with White Flags.

### Situation in the Southern Islands Continues Uncertain

### A Sharp Skirmish With 1,000 Insurgents Entrenched at Iningua.

### Coast Guns Found Buried—Otis Sails for Home on Board the U. S. Transport Sherman.

Manila, April 3.—A reconnaissance today by the cavalry under Major Rucker developed into a sharp skirmish with 1,000 insurgents entrenched at Iningua, five miles northwest of Malolos, the main insurgent army being apparently between Iningua and Putitan.

The other detached rebel forces retreated eastward and entered Mateo valley, where they were repulsed by Hall's troops.

Scouts penetrating close to Calumpit found several mules slaking in a soft spot in the road. This led to the discovery that two breech loading coast guns were buried. The presence of the guns is a mystery, but the troops will make a thorough search for any additional arms.

Twenty miles of the country between Calooan and Malolos is dotted with white flags displayed by the Filipinos who are returning to their homes. The better class of the natives are returning to Malolos.

Friests who have entered the American lines are seeking permission to resume their duties. MacArthur estimates that 100,000 deserted their homes and believes the return is a most favorable indication.

Prisoners report a scarcity of food among the insurgent troops. The situation in the southern islands continues uncertain. The latest move there is to extinguish lights in the lighthouses.

### DEWEY'S CONGRATULATIONS.

Major General Otis, commander of the American military forces, has received the following message: "Heartly congratulations on the most magnificent achievement of the army. (Signed) Dewey."

### OTIS RETURNING

Brigadier General Otis sails for home on board of the United States transport Sherman today. He says he believes the insurrection has received its death blow. The Sherman will also have on board the bodies of Colonel Egbert, of the Twenty-second infantry, killed March 6, and other officers who have recently fallen in battle. General Wheaton has assumed command of the brigade lately commanded by General Otis. The Third and Twenty-second regiments in Wheaton's commands are returning to this city.

### FROM OTIS.

Washington, April 3.—The following was received this morning:  
Manila, April 3.—Adjutant General Washington: The present indications denote that the insurgent government is in a perilous condition; its army defeated, discouraged and scattered. Insurgents are returning to their homes in the cities and villages between here and the points north of Malolos which our reconnoitering parties have reached and desire the protection of the Americans. News from Iles-Vayas island is more encouraging every day. (Signed) Otis.

## THE CHICAGO ELECTION

### All the Candidates Confident of Success— Betting Favors Harrison

Chicago, April 3.—The municipal election will be held tomorrow and tonight the three candidates for mayor, Carter, republican; Altgeld, independent democrat, and Carter Harrison, democrat, are all confident they will win by about 25,000 plurality.

The betting favors Harrison, whose campaign for re-election has been pushed vigorously and who has been supported even by some republicans. There have been charges of colonizing against the Harrison faction.

## ELECTIONS YESTERDAY IN OHIO AND MICHIGAN

### Republicans Carry Michigan by a Plurality of 30,000—Excellent Showing Made by Democrats.

Lansing, Mich., April 3.—The republicans carried the state at large today by a plurality of 30,000, and won the majority of the local fights.

The democrats made an excellent showing, cutting down the normal republican pluralities, notably in Wayne county, which includes Detroit.

## REPUBLICANS WIN.

### Carry Cincinnati by a Majority of 7,500.

Cincinnati, April 3.—The entire republican ticket was victorious in today's municipal election by a majority of 7,500.

## DEMOCRATS WIN AT CLEVELAND.

Cleveland, April 3.—Farley, democrat, defeated McKisson for mayor today. The democratic ticket was elected by a smaller plurality.

Farley received the solid democratic vote and a large vote from the McKinley republicans.

## COLUMBUS' ELECTION.

Columbus, Ohio, April 3.—The republicans elected their full municipal ticket today.

In Toledo Samuel Jones, independent, was re-elected mayor. Jones was defeated in the republican convention and went into the campaign on an independent ticket.

The democrats were largely successful in Dayton, electing two out of the three candidates on the city ticket and securing control of the council.

## ST. LOUIS CASUALTIES.

St. Louis, April 3.—Three laborers were killed today by the cave-in of a sewer they were timbering. Two more accidental deaths occurred, one at an old shoe mine, where a man was killed by falling down a shaft, and the other at the Missouri Lead and Zinc company's mine, where a falling boulder crushed a workman.

## CUBAN PROBLEMS

### General Brooke Will Order the Disbandment of the Troops

### If the Assembly Maintains Its Present Attitude.

### Sugar Planters Appointed to Confer with President McKinley

### And Explain that if Mortgages are Foreclosed Much Distress will Follow—Advised by Gomez

Havana, April 3.—The sugar planters have appointed a committee to go to Washington and explain to McKinley that if mortgages are foreclosed on estates or an attempt made to collect the interest at present, that great distress and injustice will be caused.

Gomez advised this move and will write to McKinley explaining the situation.

Among the officers of Gomez' staff it is said that if the assembly maintains its present attitude, Brooks will have to issue a decree ordering the disbandment of the troops and declaring that after a fixed time all retaining arms will be treated as bandits.

## A BREAK IN THE QUAY RANKS

### A Crisis Reached in the Pennsylvania Senatorial Contest.

Harrisburg, April 3.—A crisis has been reached in the senatorial fight and a break in the Quay ranks will probably occur tomorrow.

Senator Magee returned from Philadelphia tonight and is ready to desert Quay, and many other Quay men, disgusted at the vacillation of the Quay managers, will follow.

The anti-Quayites will hold a caucus tomorrow and will decide to put their entire strength on one candidate, probably either Judge Stewart, of Franklin county, or Colonel Westmoreland.

Many of the first named candidate's friends may not vote tomorrow, thus bringing the situation to a focus.

## STOCK MARKET.

New York, April 3.—Prices were slightly lower in the stock market today. American Tobacco closed at 22 1/2; Sugar, 173 1/4; Missouri Pacific, 51 1/2; Southern preferred, 51 1/2.

## APPEAL AGAINST LYNCHINGS

### Will be Made by the Georgia State Baptist Convention to Legislature.

Savannah, Ga., April 3.—At the Georgia Baptist state convention, which closed here tonight, Judge George Hillier, the ex-mayor of Atlanta, presented a report on lynchings which was somewhat sensational. He gave startling figures upon the increase of crime, and urged the consideration of the question upon the church and suggested that as the law was slow, an appeal should be sent to the legislature urging action and reminding them of the army of voters presenting the appeal.

Judge Hillier's report and recommendations were adopted. Judge Hillier said that the increase of lynchings was due to the loss of a popular confidence in the laws, the ease with which venemen, each a side and the facility with which notorious criminals escape punishment.

## BAZAAR OPEN TODAY.

### Some Features of the Interesting Event—The "Tropical Cuba" Booth.

The bazaar of St. Lawrence Catholic church, the first one in two years, opens this afternoon under most auspicious circumstances.

Catholics and non-Catholics alike have been generous in their contributions to assist in the renovation of the church. Valuable articles of every description will be on sale and for contest at the various tables and booths. These stands will be prettily festooned and decorated. The work is now in progress at the bazaar rooms, 48 Patton avenue.

An idea has gained currency that admission would be charged. This is erroneous. It will cost nothing to inspect the beautiful exhibition.

The bazaar will open at 4 o'clock this afternoon. The first three hours is intended particularly for children. The fish pond, grab bags and other juvenile amusements will do a rushing business during three hours.

At 7 o'clock the dining room will be thrown open to the public. Pretty society girls will preside over the tables, furnishing a feast for the eyes as well as for the appetite. Meals can be obtained at any time thereafter.

One of the prettiest booths in anticipation is one to be termed "Tropical Cuba." It will be decorated with a profusion of tropical plants and will contain many articles of Cuban manufacture. A little Cuban boy will complete the scene. The booth will be presided over by the Misses Rigero, of Cuba; Mrs. J. A. Mosely and Mrs. L. A. Farinholt.

Among the many others will be the fancy work table in charge of Mrs. A. C. Campbell, the Misses Campbell, Miss Helen Morris Lewis and Mrs. P. H. McIntyre.

Candy booth—Mrs. L. Theobald, Miss Kate Brown and other young ladies not yet designated.

Cake table—Mrs. Riley and Mrs. Stelling.

Lemonade well—Miss Daisy Cook and the Misses LaBarbe.

Fish pond—Miss Kate Curtis and Miss Romeo.

A hypnotic exhibition will be given between 9 and 11 o'clock.

Two late contributors to the bazaar are Captain J. P. Sawyer, an elegant ring; Baxter Shemwell, proprietor of the Paragon, a handsome purse.

Is the baby heavy? Get a carriage for it at Mrs. L. A. Johnson's, 27 North Main street. They are cheap!

## SAMOAN AFFAIR

### Commission Will Go to Samoa to Conduct Investigation,

### And Will Probab'y be Instructed to Consider a Division.

### Kautz's Actions Fully Sustained by President McKinley.

### Significance of the President's Attitude—Statements Made in the Berlin Semi-Official Organs

Washington, April 3.—Your correspondent learns from unquestioned authority that McKinley fully sustains the actions of Rear Admiral Kautz in dealing with the Samoan affairs.

This statement obtains significance from statements in the Berlin semi-official organs and Ambassador White had expressed to the German government the regret of his government over the conduct of Kautz.

White was not so instructed, but to say the United States regretted it had been necessary for the American naval forces to engage in hostilities.

Soit, the new president of the Apia municipal council, called on the secretary of state today. He explained the position of this government.

It has been settled that the new Samoan commission will go to Samoa to investigate and will probably be instructed to consider the suggestion of a division of Samoa among the pro-protectorate powers.
